The Presidency of Donald J. Trump Julian E. Zelizer,2022-04-12 Donald Trump took office in 2017 amid an increasingly polarized political field He quickly carved out a loyal base among the radical wing of the Republican party dominated the news cycle with an endless stream of controversies and with the support of his voting base and party presided over one of the most publicized dramatic and contentious one term presidencies in American history In *The Presidency of Donald J. Trump* Julian Zelizer gathers leading American

historians to put President Trump and his administration into political and historical context These scholars offer strikingly original assessments of the central issues that shaped the Trump years including the MeToo and BlackLivesMatter movements Trump s crusade against media he dubbed fake news the border wall and immigration more broadly the rapid rise of open white supremacy the national COVID 19 response the calls to defund the police the efforts to contest the outcome of the election and the January 6th insurrection among others Together these essays argue that the Trump presidency was not unprecedented but it represented and emerged from the long term development of the Republican Party and American polarization more broadly

We Are of Eternal Love Miya Lusons,2014-01-21 We Are of Eternal Love is an adventure through time and space Compiling daily channeling over the course of a year the author shares with us her discovery of experiencing multidimensional parallel lives She

presents a remarkable and thought provoking description of three entities how they are connected and how they influence each others lives This is a living book that the author continues to experience for as the author discovered it is in the unlimited flow of the Spirit that resides within us that has no boundaries no limitations no conditions to meet It simply is and it flows freely without restrictions But in order for us to recognize and experience the same we must put ourselves within that flow to allow it to be so We must let go of the rock on the river bank let go of our conditions and allow ourselves to flow freely down that river of life In doing so we will round the corner which is currently out of sight but which will present us with all that we have ever dreamed We are never alone We are of eternal love
