What Pac Says Kristine Carlson, 2015-11-11 This book was channeled from Tupac Shakur to Kristine In this book Tupac talks about his life on earth his life on the other side the situation with Biggie Smalls his death and also gives advice he wishes he followed while he was on earth He also wrote some new lyrics poems Kristine is a psychic medium and a figure skater She has been in multiple car accidents and ended up bedridden for seven years During this time her psychic medium abilities grew and grew over time At first she didn't want to become a professional psychic medium but after doing readings for friends they kept telling that she really should Now she does readings for people all over the world through her website www.PsychicMediumReadingsByKristine.com She is grateful to be able to help others with her gift Kristine was not a Tupac fan When he came to her to ask to do this book for her she was shocked She repeatedly told him no She wasn't sure she wanted to take on this task But after a while of him being persistent and her getting to know him she decided she would do it She didn't want to hold him back from expressing himself and he wanted to express himself desperately Over the years they became very close he would even show up for her during her surgeries and procedures and try to make her laugh to distract her This book is Tupac's exact words he channeled to her with the dates and times that he came through Other than the beginning which explains how this book came to be everything is in Tupac's own words
