What Every Principal Needs to Know to Create Equitable and Excellent Schools George Theoharis, Jeffrey S. Brooks, 2015-04-25 School leaders who succeed at creating a high achieving learning community must also be committed to creating an equitable environment for all students In this new book key scholars across the content areas show how to put into practice a commitment to equity and excellence across the Pre K12 spectrum Readers learn directly from experts in each of the content domains literacy mathematics science social studies music early childhood special education English language learners world languages and physical education how a commitment to social justice and equity can be grounded in core subject areas why each has a place in the school and what they need to know and do in each subject area This book is a critical instructional leadership resource for new and veteran principals who want to see all students succeed Contributors Antonio J Castro Julie Causton Theoharis Virginia Collier Katherine Delaney Catherine Ennis Virginia Goatley Beth Graue Rochelle Gutierrez Kathleen A Hinchman Anne Karabon Christi Kasa Dave McAlpine Mitchell Robinson Victor Sampson Sherry A Southerland and Wayne Thomas

The Literacy Leadership Guide for Elementary Principals Tynisha D. Meidl, Jason Lau, Margaret-Mary Sulentic Dowell, 2018-10-31 For the past decade in the United States elementary principals have faced increased scrutiny Student performance regardless of student experiences district funding practices or societal factors have been the responsibility of the principal In a similar fashion teachers have been ridiculed and scorned As a result principals are left trying to create positive school culture evaluate teacher performance and guide and support professional development initiatives In the meantime teachers in many ways do not see themselves as professionals do not feel that they have autonomy in their classrooms and as a result may not have the same joy that they once had The goal of this guide is to assist principals and school leaders to cultivate a school culture where the principal is positioned as the literacy leader This guide will support principals to address define and create a literacy culture Most importantly provide insight to support

principals in their quest to becoming primary individual responsible for bringing joy to teaching and learning as part of building school culture *How to End the Reading War and Serve the Literacy Needs of All Students* P. L.

Thomas,2022-08-01 The twenty first century Reading War is in fact nothing new but some of the details are unique to our current culture driven by social media This volume seeks to examine the current Reading War in the context of the historical recurrence of public and political debates around student reading abilities and achievement Grounded in a media fascination with the science of reading and fueled by a rise in advocates for students with dyslexia the current Reading War has resulted in some deeply troubling reading policy grade retention and intensive phonics programs This primer for parents policy makers and people who care confronts some of the most compelling but misunderstood aspects of teaching reading in the U S while also offering a way toward ending the Reading War in order to serve all students regardless of their needs The revised expanded 2nd edition adds developments around the science of reading including the expanding impact on state policy and legislation as well as robust additions to the research base around teaching students to read Handbook of Reading Research Michael L. Kamil,Peter B. Mosenthal,P. David Pearson,Rebecca Barr,2014-04-08 In Volume III as in Volumes I and II the classic topics of reading are included from vocabulary and comprehension to reading instruction in the classroom and in addition each contributor was asked to include a brief history that chronicles the legacies within each of the volume s many topics However on the whole Volume III is not about tradition Rather it explores the verges of reading research between the time Volume II was published in 1991 and the research conducted after this date The editors identified two broad themes as representing the myriad of verges that have emerged since Volumes I and II were published 1 broadening the definition of reading and 2 broadening the reading research program The particulars of these new themes and topics are addressed
