Pulis, 2023-08-02 In 1949 taking a break from San Diego s post World War II bustle the Knowles family went camping in Canada Heading home through northwest Montana s Yaak River country they found a two bedroom story and half log cabin on a small lake There was neither electricity nor plumbing Access was via dirt road slow at best and iffy during the long hard winters Darwin Knowles saw a peaceful life and adventurous wife Marilyn agreed Third grader daughter Dee for Doris could attend the one room school and three year old Bob Barbara have a safe place to play Enthusiastic but ignorant of wilderness living the family moved in that fall working together to cook and heat with wood hunt and fish for food haul water and wash clothes by hand They stayed for six years during which son Stevie was born Dee s reminiscence of her childhood in the Yaak presents quirky neighbors growing girls adventures wildlife huge and tiny and especially one loving family As she writes It was a cozy scary painful hilarious dangerous interesting and grand time and the most fun I ever had A Backpack, a Bear, and Eight Crates of Vodka Lev Golinkin, 2015-10-13 A compelling memoir hilarious and heartbreaking The New York Times of two intertwined journeys a Jewish refugee family in Ukraine fleeing persecution and a young man seeking to reclaim a shattered past In the twilight of the Cold War the late 1980s nine year old Lev Golinkin and his family cross the Soviet border leaving Ukraine with only ten suitcases 600 and the vague promise of help awaiting in Vienna Years later Lev now an American adult sets out to retrace his family s long trek locate the strangers who fought for his freedom and in the process gain a future by understanding his past This is the vivid darkly comic and poignant story of Lev Golinkin in the confusing and often chilling final decade of the Soviet Union and of a Jewish family s escape from oppression whose drama hope and

heartache Mr Golinkin captures brilliantly The New York Times It s also the story of Lev Golinkin as an American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible and say thank you Written with biting acerbic wit and emotional honesty in the vein of Gary Shteyngart Jonathan Safran Foer and David Bezmozgis Golinkin s search for personal identity set against the relentless currents of history is more than a memoir it s a portrait of a lost era This is a thrilling tale of escape and survival a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union and a provocative investigation into the power of hatred and the search for belonging Lev Golinkin achieves an amazing feat and it marks the debut of a fiercely intelligent defiant and unforgettable new voice The Other Mother Gwendolen Gross,2007-08-07

With a keen eye for what pulls us apart and what brings us together The Other Mother shines a light on the complexities of mothers trying to balance it all Amanda is a successful book editor at a prominent publishing house in New York City Thea is a stay at home mother of three who has never really left the community in which she grew up Eight months pregnant with her first child Amanda and her husband move next door to Thea and her family and the two women find themselves both drawn to and repelled by each other and their opposing choices in the constant struggle to balance career and family life When a disaster forces Amanda and her family to take refuge in Thea s home the tensions simmering between them are forced to the surface and rise even further when Thea fills in as Amanda s temporary nanny But once dead animals start appearing on Thea s front porch and she thinks that surely they re a macabre gift from Amanda then the battle with the other mother begins in earnest
