the darkest night, your joy blazes
brilliantly through life's problems
when you count them as joy.

When They Shine Brightest:

Ruler of Nothingness Min Ocean,2025-10-10 Ruler of Nothingness follows Nicola an 18 year old individual suffocated by his strict upbringing personal insecurities and societal expectations When Nicola defies the shackles of his existence and slips through the blood red veils of The Orphic Circus he seeks more than escape he searches for meaning What he finds instead is Azalle a girl whose presence glows with an otherworldly light shadowed by an unexpected Curse and then she kills him Cast into a sprawling rotten garden beyond death Nicola encounters an Heir a timeless being who offers him a second breath at the cost of his soul Bound by a pact inked in eternity Nicola reawakens into a world where the border between liberty and captivity dissolves and there isn't much time left Psychological and haunting Ruler of Nothingness weaves themes of courage self discovery and the battle against the Unknown The Christian Treasury Anonymous,2022-05-09 Reprint of the original first published in 1869 *The reflection of Obsession. Life is a Story - story.one* Erva Süer,2025-09-10 Some people call it obsession I call it devotion Her name is Mira Quinn Too soft for the world too sharp for me She doesn't know me not in the way I know her I've memorized the tilt of her head when she's curious the faint curl of her lips when she's amused the exact way her fingers trace the rim of her coffee cup when she's thinking Every small gesture is a map Every glance I watch her From screens from shadows from the quiet corners of her favorite cafés She laughs softly at jokes no one else hears I do not touch her Not yet Touch would ruin the art Presence matters more than anything The silent declaration I am here Always The world is too quiet without her And I do not like quiet But to my surprise she already may be like me I would say this is a match in hell *The Path to Awakening* M.V. Rayhn,2020-09-23 The 3D identity you have lived out consciously and unconsciously was chosen by your soul your oversoul your highest expression of you and God But you have lived unconsciously for far too long hindering the growth of your soul and more importantly hurting and polluting Gaia the nucleus and epicenter of the intergalactic community Because of your unconscious blind following of the 3D rules that were falsely given to you your soul's compass and remembrance lens are askew The Path to Awakening seeks to spark recognition in you and awaken your true self who you really are It serves the purpose of awakening within your soul your DNA and your soul map of who your soul is and why you are here here there and everywhere Most importantly this guide illustrates your role in awakening the rest of humanity ushering in the end times of the false 3D collective programming and beginning the New Age the new earth and the healed Gaia Heed these words and your soul will rise and ascend and realign to its highest purpose the Godhead energy and the Christ energy You are not here to slumber through existence like an unconscious drone You serve the most important purpose to awaken yourself to the truth and save Gaia This spiritual study offers an ascended master's guide to understanding the complexities of ascension spirituality earth angels and the end times exploring who God really is
