When Hope Intervenes Sydney Aguas, 2016-04-15 This is a book about hope There are those who would describe hope as a light in overwhelming darkness or a lifeline in the midst of a vast sea as well as those who would deem it nothing more than wishful thinking but deep in the heart of every individual there is a longing for this illusive entity While this longing is in every human it is rarely satisfied This book will demonstrate how the remarkable hope of God can pierce the hearts of those in the most pitiful depths of despair by discovering the work of transformation accomplished in the lives of three paragons of hopelessness from the ancient Greek Tragedies Through their stories we will witness the sheer power of the hope of redemption in Jesus Christ as we explore what marvelous things can happen when hope intervenes
