What is God's Mission in the World and How Do We Join It? Juan Francisco Martinez, Jamie Pitts, 2021-03-30 What does God s mission look like Who is supposed to carry it out and how Juan F Mart nez and Jamie Pitts lead us on an inquiry into God s mission in the world what it is what it is not and who is invited to be part of it If Jesus is truly God s mission incarnate we need to look at what Jesus did and how he did it Mart nez helps readers understand what mission means why Christians in the past have made missteps and how we can learn from Christian communities that are spreading the good news of Jesus today Doing mission in the way of Jesus may look different from what many assume but it is a call that the church cannot afford to miss *God and Business* Robert R. Richards, 2002

Bible School 1 Semester 2 Shofar Christian Church, 2020-06-01 The Bible teaches us that there is nothing more important than becoming like Jesus The life of Jesus not only shows the full picture of who God is but He also shows us what it means to be human He is the quintessential man In Him we see what a perfect relationship with God looks like what our moral outlook should be and what constitutes a good and worthy life Through the ages the church has confirmed that the Bible is both the standard and the guide that instructs confronts and inspires us in the process of following Jesus The way we see understand and experience God ourselves and the world around us should thus ultimately be based upon what the Bible teaches us This Bible School course is therefore intended to help you to build your life around the Word of God

Leadership Mosaic Daniel Montgomery, Jared Kennedy, 2016-10-13 There s a leadership crisis in the church Every leadership model claims to have all the answers to the challenges of leadership Each perspective emphasizes certain qualities and we search desperately for answers in the absence of clear direction But there s no simple leadership formula that meets every need we have in life and ministry Challenging the conventional wisdom about what makes for a

good leader Daniel Montgomery calls us to a countercultural perspective on leadership rooted in our Creator He presents a new framework for leadership not just a beckoning to further pragmatism relentless productivity or a reactionary cultural fad He helps us see leadership as a mosaic of five characteristics conviction creativity courage collaboration and contemplation reflective of the very image of the triune God Armed with this perspective we will be able to see strive after and celebrate the great and complex vision of leadership God has called us to for the flourishing of our homes churches and workplaces

Pentecostalism, Secularism, and Post Christendom Bradley Truman Noel, 2015-12-14 If only we were a Christian country again Christians particularly those in the West often lament their loss of influence in modern politics and culture It seems that everywhere one turns Christendom in the West is dealt another blow with Christian reactions ranging from withdrawal and entrenchment to cries of persecution and talks of organized resistance Pentecostalism Secularism and Post Christendom seeks to address these concerns via an examination of Classical North American Pentecostalism as it wrestles with the very real challenges posed by the increasing post Christian ethos of Western culture In addition to providing a number of concrete steps Pentecostals may take in their efforts to better understand and connect with modern culture this work will argue that counter intuitively the death of Christendom if properly addressed may in fact herald the arrival of the Church's finest hour Missiology John Mark Terry, 2015-09-01 Thoroughly updated and revised with half of the chapters new to the second edition Missiology equips the reader with a vast graduate level resource on contemporary missions

Ortiz, Manuel Böhm, 2023-08-15 Reconciling Practice and Theology What does reconciliation have to do with the work of missions In today's conflict ridden world the concept of reconciliation has gained traction and Christian missions is being rethought The whole world cries out for holistic transformation with eternal value and God's people are called to be his ambassadors Ambassadors of Reconciliation lays the groundwork for exploring a new paradigm for missions Divided into three parts the book first establishes the theological foundations of reconciliation The second part then shows how theory and practice go hand in hand Finally the third part uses case studies to highlight the importance of understanding brokenness conflict and culture for

effective ministry in reconciliation The contributors challenge readers to consider the church's role in God's mission and how every Christian can become an envoy of his restoration work They emphasize the spiritual dimension of reconciliation and offer practical guidance for effectively engaging in ministry Whether you are a missionary pastor or someone interested in promoting restoration in the world this book provides valuable insights and tools for your journey *Rethinking Vocation* Eric Robinson, 2023-09-07 What does it mean to be called How does one discern his or her calling There has been much discussion about these topics within the church and perhaps much confusion as well What if we could root the nature of the believer's calling and vocation from a missional perspective This book seeks to understand how a deeper understanding of God's mission can help believers discern the work to which they are called and equip them for missional witness in and through their work Importantly rooting our understanding of vocation and calling in God's mission gives space for new emphases within the conversations related to faith and work including theologically and contextually grounded emphases on creativity vocational freedom and vocational discernment along with innovative educational models which can support believers as they navigate their work as participants in God's mission When believers connect their gifts talents and creativity with God's work in and for the world in a way that is contextually relevant it opens up opportunities for transformative witness for both believers and for the organizations they serve
