Plumlee, 1976 **Penguin Writers' Guides: How to Write Better English** Robert Allen, 2005-06-30 The Penguin Writers Guides series provides authoritative succinct and easy to follow guidance on specific aspects of written English Whether you need to brush up your skills or get to grips with something for the first time these invaluable Guides will help you find the best way to get your message across clearly and effectively This essential guide covers the key rules and pitfalls of written and spoken grammar It covers such areas as the building blocks of language common errors and misconceptions choosing the right level of expression differences between British and American English and political correctness It also discusses various uses of language from creative writing CVs and reports to verbal presentations and business and personal letters with many useful suggestions for accurate and fluent English **A Teacher's Guide to Educational Assessment** Iasonas Lamprianou, James A. Athanasou, 2009-01-01 This book is a natural step beyond our earlier text A Teacher s Guide to Assessment which was published almost six years ago The purpose of this book is to offer a straightforward guide to educational assessment for teachers at all levels of education including trainers and instructors The scope of this book is wider however and the targeted audience is broader than the first edition It is designed to address the needs not only of those taking a first course in educational assessment and measurement but it can also usefully serve students at the post graduate level as well as experienced teachers trainers and instructors who would like to update their knowledge and acquire practical skills using relevant quantitative methods The book is appropriate for an international

audience In this revised edition we have added new and important material which covers the assessment arrangements necessary for people with special needs and the use of technology for assessment purposes We have elaborated on the dangers of differential item functioning we have extended the Rasch measurement material and enriched the book with practical examples using Microsoft Excel The main message of the book is that assessment is not based on commonsense but on a huge body of international research and application over many years Testing is a powerful vital and large part of a teacher s assessment arsenal because it can be practical structured and very informative The correct use of testing either in its traditional paper and pencil form or in its modern technology based style can be a formidable ally for every teacher who aspires to practise evidence based teaching and learning [JavaScript Absolute Beginner's Guide](#) Kirupa
