

5 Ways To Write a Good Newsletter Article

Explore Your “Why” to Get to Your “What” – If you know your goal for your newsletter and have decided on a theme for it, fit your article into that overall topic. Otherwise, brainstorm subjects. AI software can also prompt ideas.

1

2

Find the Format – Narrowing down the subject refines the template and may also frame the topic. Common newsletter article formats include news briefs or a “welcome” note.

Consider Storytelling – Tell a story. List interesting things you saw or experienced recently. Tie one to a useful business lesson or insight, then elaborate on the lesson.

3

4

Get Organized – Newsletter articles tend to be brief and pull text from other sources. As you plan your article, consider the basic AIDA format (Attention, Interest, Desire, and Action).

Prepare Your Article – Edit and proofread and check for scannability and accessibility. Ensure the content has breathing room and that it follows a logical order throughout.

Web Content Janet Mizrahi, 2013-08-28 The explosion of electronic sources whether in the form of news commentary sales and marketing or information has created boundless opportunities for producing content Whether you re an entrepreneur with a start up business who needs a website an executive who uses social media to connect with various stakeholders or a content provider blogging about topical issues you ll need to know how to write for the web and address the unique environment of the digital world This book will help you produce web content that generates results Writing for the screen differs from writing for a printed page and those who use the web to communicate in any genre ads articles blogs email blasts newsletters social media or websites must be aware of rhetorical considerations unique to writing for the web This concise easy to follow guide takes you through the underlying principles including web reader habits and the challenges of producing content across multi platform formats It also addresses web writing style and topics such as conciseness tone level of formality and other writing techniques Design as it pertains to the writer is also discussed Finally the book focuses on how to compose specific types of web content and provides useful how to guides covering the most commonly used genres

ABA Journal, 1987-08-01 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Office Urology James C. Ulchaker, 2000-09-22 Although urology is a surgical specialty it has become apparent that changes in health care delivery and financing have led to an increasing volume of care being provided by urologists in their offices A major part of the revenue of a urology practice

depends on office production and efficient management To have a successful practice the productive committed urologist must have a thorough understanding of the procedures and problems that need to be dealt with in the office Moreover the urologist must play an active role in the administration and business aspects of running the office Surprisingly very little has been written about the office practice of urology *Office Urology The Clinician's Guide* presents a fresh practical and concise text book covering the vital issues that the urologist must face on a daily basis in the office The initial chapters of the textbook cover the critical aspects of managing the urologic office such as principles of management marketing the practice proper billing and coding advanced information systems and important legal issues The book is not intended to review in detail the academic aspects of the various pathologies pertaining to urology which have been well covered in several other textbooks Instead the clinical chapters deal with practical issues such as selecting appropriate treatment and counseling patients on the optimal therapy for the problems that the urologist frequently manages The individual authors have demonstrated expertise in their fields
