Wrongful Death The Aids Trial:

Wrongful Death Stephen Davis, 2006 This fictitious courtroom drama exposes the government lies and incompetence gross medical malpractice and unbridled greed by a drug company that caused the American AIDS epidemic and cost 300 000 lives in just ten years

Dogmatism in Science and Medicine Henry H. Bauer, 2014-01-10 The nature of scientific activity has changed dramatically over the last half century and the objectivity and rigorous search for evidence that once defined it are being abandoned Increasingly this text argues dogma has taken the place of authentic science This study examines how conflicts of interest both institutional and individual have become pervasive in the science world and also explores the troubling state of research funding and flaws of the peer review process It looks in depth at the dominance of several specific theories including the Big Bang cosmology human caused global warming HIV as a cause of AIDS and the efficacy of anti depressant drugs In a scientific environment where distinguished experts who hold contrary views are shunned this book is an important contribution to the examination of scientific heterodoxies
