Transforming Renewal Charismatic Renewal Meets Thomas Merton:

Transforming Renewal Andy Lord, 2015-01-12 Pentecostal and charismatic renewal movements have seen great growth over the last century and have engaged with many Christian traditions Yet there are signs that all is not well and there is a need to develop theologies of renewal that engage with practice and across the traditions if the movements are to continue to grow In particular this book seeks an ecumenical engagement between David Watson and Thomas Merton leaders in the charismatic and monastic renewal movements The aim is to reflect on the theological roots of these renewal movements through a study of particular people who lived them in practice and sought to help others understand how the triune God was at work This is done against the wider background of contemporary renewalist theology to develop constructive proposals for renewal theology in the future Receptive ecumenism provides the method for bringing the different voices into conversation in ways that also point forward in approaches to ecumenical dialogue It is thus a study relevant to those seeking new ways in theology those involved in renewal and ecumenical movements students of Thomas Merton and all who seek to better understand the Christian renewal movements that have swept the world

Thiselton ,2016 Anthony Thiselton s scholarly book The Holy Spirit In Biblical Teaching through the Centuries and Today was published to wide acclaim in 2013 and received a 2014 Christianity Today Book Award This shorter volume makes Thiselton s vast biblical theological knowledge and brilliant insight more accessible to more readers **Thomas Merton's Encounter with Buddhism and Beyond** Jaechan Anselmo Park,2019-03-07

Thomas Merton recognized the value and possibility of contemplative dialogue between monastics and contemplatives of other religious traditions and hoped that through such dialogue monastics would strive for inter monastic communion and a bonding of the broader spiritual family He held out hope that this bond would demonstrate the fundamental unity of humanity to a world that was becoming ever more materialistic and divided Among other themes and topics this book explores Thomas Merton s role as a pioneer of Buddhist Christian dialogue and monastic interreligious dialogue It delves into the process of Merton s self transformation through contemplative experiences explores his encounter with Zen and Tibetan Buddhists and his pioneering engagements in Buddhist Christian dialogue and presents and responds to the criticisms of those who raise questions about Merton s understanding of Buddhism Fr Jaechan Anselmo Park OSB articulates and analyzes the influences of Buddhist theory and practice on Thomas Merton s contemplative spirituality and shows how Merton s legacy has influenced and continues to inspire interreligious and inter monastic dialogue particularly in an Asian monastic context **Landscape, Soul and Spirit** Andy Lord,2025-02-11

How might we develop our spirituality in the context of an environmental crisis that demands changes to our individual and communal ways of life There is a challenge to develop our inherited patterns of spiritual life in the current ecological context This book aims to reflect on the Christian contemplative tradition in dialogue with writings of the leading nature writer Robert Macfarlane The argument is that each of his six books can be seen as nurturing a particular spiritual practice In this Macfarlane s focus on interactions between landscapes and the soul is extended to include the spirit At a time of crisis it is important to nourish contemplative approaches that engage our longings attentiveness and sense of time These enable us to discover renewal hear fresh voices and live in union with all of life This book acts both as an introduction to Macfarlane and a stimulus to further reflection on spirituality and the environment **Charismatics and Postmodernity** Jitesh K. Patel,2025-09-05

Is charismatic renewal a bit too much like postmodernism With its multiple ways of knowing what is true touchy feely and pragmatic with an emphasis on personal story and community why does it look like something dreamt up by postmoderns longing for a church befitting their ideals This book explores these questions by investigating an example of charismatic renewal the Charismatic Movement in the Church of England leading to some surprising results Appearances can be deceiving and what seems postmodern about

charismatic renewal is a complex mix of modernism reactions to modernism and a longing to go back to a time before modernism reared its head Jitesh Patel helps show how renewal s ongoing life has much still to contribute to the wider church s life once it recognizes the strengths and weaknesses of how it has formed in the context of modernism and the chapters herein illuminate what its future could look like as a result

Immersed in God and the World: Living Priestly Ministry Andy Lord, 2024-07-30 Fairacres Publications 213 In increasingly busy and diverse lives what might it mean to live as priests immersed in God and the world This book explores a personal experience of ordained priesthood shaped by the Jesus Prayer in the context of the Catholic charismatic and evangelical traditions It explores the contemplative disciplines of Presence and Attentiveness to the overflowing life of God in all things There is an invitation to all ordained or not to enter into a life stretched through the abundance of God While realistic about the challenges we face this book seeks to nurture hope in the God who is always at work in Christ by the Spirit
