available in English **The Treasure of Silver Lake** Karl May, 2014-11-03 The Treasure of Silver Lake is one of Karl May's most popular books. The bandits are preparing for a major heist. First they want to steal the wages of the lumberjacks at the Black Bear Creek. Then they want to raid a rich farm in Kansas on their way to robbing a railway station that has money for the construction of the Union Railways. Their final target is the Silver Lake that hides an immense treasure. Old Firehand, who is also heading to the Silver Lake to open a mine, there is determined to foil the bandits' plans. He recruits many famous Westerners for his quest. By the time the group arrives to the edge of Kansas, Winnetou, the chief of the Apache, joins them and fights alongside Old Firehand. To reach the Silver Lake, they have to go to Colorado where the Ute tribes are on the warpath. This is when Old Shatterhand and his friends appear, and after four duels for life or death, they unite with Old Firehand's group. They all go to the Silver Lake together. This unabridged English translation retains the exciting adventures and the strong moral conviction of May's original book while modernising the style and editing parts that were erroneous or may evoke bad associations. With this editing, the core of May's world, the action, the dreaming of heroic deeds, and the struggle for a kind of justice have become more emphasised and more accessible to the modern reader. *Winnetou I* Karl May, 2015-09-25 Im ersten Roman der Winnetou Triologie lernen sich die beiden wichtigsten Protagonisten Winnetou und Old Shatterhand unter abenteuerlichen Umständen kennen. How to Talk About Places You've Never Been Pierre Bayard, 2016-01-26 Written in the irreverent style that made *How to Talk About Books You Haven't Read* a critical and commercial success, Pierre Bayard takes readers on a trip around the world, giving us essential guidance on how to talk about all those fantastic places we've never been. Practical, funny, and thought-provoking, *How to Talk About Places You've Never Been* will delight and inform armchair globetrotters and jet setters alike while never having to leave the comfort of the living room. Bayard examines the art of the non-journey, a tradition that a succession of writers and thinkers unconcerned with moving away from their home turf have employed in order to encounter the foreign cultures they wish to know and talk about. He describes concrete situations in which the reader might find himself having to speak about places he's never been and he chronicles some of his own experiences and offers practical advice. *How to Talk About Places You've Never Been* is a compelling and delightful book that will expand any travel enthusiast's horizon well beyond the places it's even possible to visit in a single lifetime. **Winnetou** Karl May, 2023-12-03 In *Winnetou* entföhrt Karl May seine Leser in die faszinierende Welt des Wilden Westens, wo Freundschaft und Abenteuer die zentralen Themen sind.
