The New School Leader for the 21st Century Edward H. Seifert,James A. Vornberg,2002-10-16 Veteran educators Seifert and Vornberg utilize the six standards created by the Interstate School Leaders Consortium ISLLIC and used in developing and redesigning preparation programs and state certification examinations to discuss those issues faced by practicing elementary and secondary school principals Each chapter begins with a short case study emanating from a fictitious school district and culminates with student activities that address the concepts discussed in the chapter Questions and activities follow and provide the reader with an opportunity to apply the concepts discussed This design makes it an ideal text for use with principal certification programs offered by higher education units and other alternative certification programs The practice of the principalship is viewed by the authors as a systematic process that addresses the operation of a school as a set of interrelated parts and skills that work together to create a self correcting model of student learning teaching and stakeholder participation An instructor s manual is available as a separate publication

Practical and Inspirational Guidelines for Winning J. David Irwin,2021-05-27 This book contains a compilation of lessons learned over a lifetime of study in the school of hard knocks through a wide spectrum of activities that range from family interactions on the one hand to complex business professional

involvements on the other As a result numerous personal examples coupled with biblically and spiritually based inspirational material are provided that serve to illustrate the ideas and concepts that have been applied to achieve a winning outcome in these environments Within the context of this book winning refers to the attainment of a successful outcome regardless of the context and although many of the concepts and ideas discussed will be confined primarily to the interpersonal relationships among individuals and presented in the framework of a business or family environment they are also applicable when dealing with members of a civic organization a church group a professional organization or any other group where people interact or work together for some common goal Although the achievement of successful personal interactions in any endeavor can be difficult and the optimum path unknown when the effort is systematically performed in concert with Almighty God winning can become a way of life
