terrific piece of scholarly journalism Jon Wiener imaginatively combines scholarship on the Cold War contemporary journalism and his own observations of various sites commemorating the era to describe both what they contain and just as importantly what they do not By interrogating the standard conservative brand of American triumphalism Wiener offers an interpretation of the Cold War that emphasizes just how unnecessary the conflict was and how deleterious its aftereffects have really been Ellen Schrecker author of *Many Are The Crimes McCarthyism in America* **New York Magazine**, 1980-06-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **BMJ**, 2000 **Halliwell's Film, Video & DVD Guide**, 2008 **Video Movie Guide 1997** Mick Martin, Marsha Porter, 1996 Rates more than 17 000 movies on video Cross indexed by director and star More than 800 new entries **Video Movie Guide 1996** Mick Martin, Marsha Porter, 1995 A QUICK AND EASY RENTER'S GUIDE TO HELP YOU FIND VIDEOS ORGANIZED JUST LIKE YOUR VIDEO STORE You'll be watching movies like the experts with this fact packed video guide to more than 16 000 films Organized by category to make your decision easier this bestselling encyclopedia is unique in its comprehensive coverage and user friendliness From Five Stars to Turkey the ratings help you preview the perfect movie for you Indexed by director star title and Oscar winners In the full title index all four and five star movies are indicated by an and all new entries are highlighted for easy identification Special sections on family foreign and documentary films More offbeat and obscure films than any other guide with serials B Westerns horror movies repackaged TV series and made for TV movies The best all around volume Newsday **Revenge of the Creature Features Movie Guide** John Stanley, 1988 **South Park FAQ** Dave Thompson, 2014-08-01 There are few modern animated television shows that could survive over a decade and a half and remain as funny or as stupid or as sick or as depraved today as when they started Even fewer can claim to cater to mature audiences while their critics complain that everything about the show is immature And fewer still where for the first decade or so one of the main characters was killed off every week Then returned no worse for wear seven days later That however is the world of South Park and this is a book about that world A journey through the lives times and catastrophes that have established the tiny mountain town of South Park Colorado as America's favorite dysfunctional community A voyage into a universe where Barbra Streisand is reborn as a Japanese monster movie where Kentucky Fried Chicken is a registered drug where Canada is forever on a footing for war and where we discover that even feces love Christmas From Zebulon Pike to Chef from Brian Boitano to Mel Gibson from Super Best Friends to South Park Bigger Longer Uncut it's all covered in South Park FAQ Featuring A Z coverage of the all the characters readers have come to know and the stories behind the episodes it also includes an episode guide and an appendix of all of the songs featured in South
