

Addison Blazers Travel Baseball Parent/Player Contract

This is a travel organization. The following contract outlines a higher level of dedication and expectations that align with our goals.

Attendance:

Players must attend all training sessions, practices, games, team meetings, and tournaments unless an absence has prior approval by the head coach of the affected team. If practices are missed, a player should not "expect" to start the next game, though they may, at the discretion of the head coach. Players **MUST** be on time. That means, "on the field, warming up" by the start of each practice or game arrival time. For some, that may mean arriving 15 minutes before the posted time to get situated. Being tardy may result in consequences. The entire team suffers when a link is missing.

Attire/Equipment:

Parents shall be solely responsible for ensuring the player has the equipment necessary to play for the team including gloves, bats, cleats, catcher's gear (for catchers) and other protective gear. Come prepared to play, dressed appropriately for the given activity. Pants/knickers on the diamond at all times. Expect sliding work at every practice!

Dugout:

Appointed Coaches & Players in the dugout ONLY. NO EXCEPTIONS. Parents are encouraged to support their children. However, during practices and games parents should refrain from approaching the dugout to coach, counsel, or to critique their son, or coaches. Players should not leave the dugout during games unless it is to use the restroom.

Players should have everything they need with them inside the dugout (sunscreen, medications, water, Gatorade, snacks, etc.). Players are not to make phone calls or text message at any time during practice, tournament play or team meetings – unless it is an emergency and permission is granted from the coach.

Conduct:

Addison Blazers strives to provide every boy a positive baseball experience. To achieve this goal, it is essential that every parent, coach, spectator and player demonstrate Good

pages to find out what home run Aaron considered his greatest what pitcher proved his easiest mark and what managers he liked or disliked the most Even the disappointments are included his team s move south its inability to establish a dynasty and his quests to become a manager general manager or even Commissioner of Baseball This is also a book of personal tragedy the death of a child a difficult divorce and the stunning loss of the 43 year old brother in law who became the first black GM Not to mention the deluge of hate mail as it became obvious that he was approaching the most cherished record in sports Through it all Henry Louis Aaron kept his composure preferring to let his bat do the talking He lacked the notoriety of Willie Mickey the Duke but he just might have been the best player in baseball history He s certainly in the conversation
