The Searchlight ,1911 **High Treason of Joseph Smith** T. Robert Welling,2015-11-27 Just because the actions done by the yet to be named Confederacy the Libertine French and the Americans were under the secret disguise of Treason does not make them correct In more than a few ways the Execution of Joseph Smith was one of the first prominent figures executed by the not yet named Third Reich The Third Reich would not take on that name for another eighty years but the Third Reich organizational structure was already strong and in place in 1880 Esau s line name change constantly to throw off suspicion and their crimes against humanity Always claiming the sins of the father should not be delivered upon the child The child eg newly named formed culture take on different name but keep similar behavior patterns Those behavior patterns are the same when applied to Joseph Smith and gassing of the Jews The Slave Trade and the Confederacy are all but the same subject just different aspects of the same subject Joseph Smiths Treasonous actions witnessing crimes against humanity Performing actions which evil people think are evil which by default makes his actions good The story of the Execution of Joseph Smith is still after almost two centuries incomplete The volume of information left out about the Confederacy moving out of the South to the West side of the Great Lakes through the same area at the same time Joseph was attempting to build a new Jerusalem Do not get in the way of Evil trying to hide Evil actions The Libertine French becoming aggressive on American soil formerly New France and Louisiana Joseph providing aid and comfort to the enemy of both France and America All aspects of society which previous have been ignored as contributing factors to his execution Let alone a strange and long forgotten form of communication with the divine Practicing said was enough all by itself to be an executable offense from the Great Awakening Movement followers I did not cover it clearly in this book but the Hajj has three premeditated murders built in The throwing stones ceremony was murdering the priests of the Tabernacle System of Adam at Mecca immediately after Jacob and most of the rest of Esau s family had left He used those murders to power fuel the system Kaaba Genesis 32 22 32 to send a fallen to kill Jacob Immediately after the next sentence is Jacob wrestling with an angel winning and being renamed Israel That angel was a fallen sent by Jacob s brother Esau the actual fountainhead of Islam Although in hard reality the philosophy of Esau was borrowed from Terah Every Muslim who had been to the Hajj is guilty of ceremonially serial premeditated murdering at least three priests in cold blood Knowing their was a working Tabernacle System of Adam Literally somewhere in the area between Missouri and Montana very likely at least two Joseph Smith and his family members might have been taken to a System and instead of being killed in a hapzard way being sacrificed on an altar to power a nearby System **The Victoria History of the County of Lancaster** William Farrer,J.
