Think On My Words Exploring Shakespeares Language Canto Classics:

Think on my Words David Crystal, 2012-03-29 For decades people have been studying Shakespeare's life and times and in recent years there has been a renewed surge of interest in aspects of his language. So how can we better understand Shakespeare? David Crystal provides a lively and original introduction to Shakespeare's language, making his plays easily accessible to modern-day audiences. Covering the five main dimensions of language: structure, writing system, pronunciation, grammar, vocabulary, and conversational style, this book demonstrates how examining these linguistic nuts and bolts can help us achieve a greater appreciation of Shakespeare's linguistic creativity. *The Nation*, 1905 **The New York Times Saturday Review of Books and Art**, 1968 *El-Hi Textbooks & Serials in Print*, 2003, 2003 *New York Times Saturday Review of Books and Art*, 1968 Exploration on Expressions M A Mohamed Sahul Hameed, 2022-01-08 Exploration on Expressions contains expressions from William Shakespeare's comedies. Those who are fond of expressions in English are sure to find this book interesting and fruitful. To encourage young learners to make use of Shakespearean expressions in day-to-day conversations and casual talks/chats is the main objective of this book. It is a bitter fact that many of our young graduates lose wonderful opportunities in the global market because of lack of proficiency in English. Even though frequent use of SMS language and too much dependence on technology have made communication easy, it seems to pose a threat to the use of traditional English, which still has its own uniqueness and beauty. It cannot be denied that in those days literature was the only powerful tool for enhancing language skills. A number of approaches and methods have emerged, but literature remains as a powerful tool in acquisition of language skills. Thus, a sincere attempt has been made by the authors to instill in young learners the interest to study books on literature. The book that contains Shakespearean expressions is sure to serve the purpose.

The Enigmatic Realm of **Think On My Words Exploring Shakespeares Language Canto Classics**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary.
