If This Were Fiction Jill Christman, 2022-09 2023 Heartland Booksellers Award finalist Foreword INDIES Silver Winner in Autobiography and Memoir Winner of a 2023 Book of the Year Award from Chicago Writers Association If This Were Fiction is a love story for Jill Christman s long ago fianc who died young in a car accident for her children for her husband Mark and ultimately for herself In this collection Christman takes on the wide range of situations and landscapes she encountered on her journey from wild child through wounded teen to mother teacher writer and wife In these pages there are fatal accidents and miraculous births a grief pilgrimage that takes Christman to jungles volcanoes and caves in Central America and meditations on everything from sexual trauma and the more benign accidents of childhood to gun violence indoor cycling unlikely romance and even a ghost or two Playing like a lively mixtape in both subject and style If This Were Fiction focuses an open hearted frequently funny clear eyed feminist lens on Christman s first fifty years and sends out a message of love power and hope

The Noodle Narratives Frederick Errington, Deborah Gewertz, Tatsuro Fujikura, 2013-08-02 Tasty convenient and cheap instant noodles are one of the most remarkable industrial foods ever Consumed around the world by millions they appeal to young and old affluent and impoverished alike The authors examine the history manufacturing marketing and consumption of instant noodles By focusing on three specific markets they reveal various ways in which these noodles enable diverse populations to manage their lives The first market is in Japan

where instant noodles have facilitated a major transformation of post war society while undergoing a seemingly endless tweaking in flavors toppings and packaging in order to entice consumers The second is in the United States where instant noodles have become important to many groups including college students their nostalgic parents and prison inmates The authors also take note of heavy users a category of the chronically hard pressed targeted by U S purveyors The third is in Papua New Guinea where instant noodles arrived only recently and are providing cheap food options to the urban poor all the while transforming them into aspiring consumers Finally this study examines the global Big Food industry As one of the food system s singular achievements the phenomenon of instant noodles provides insight into the pros and cons of global capitalist provisioning

Image and Video-Based Artistic Stylisation Paul Rosin, John Collomosse, 2012-10-29 Non photorealistic rendering NPR is a combination of computer graphics and computer vision that produces renderings in various artistic expressive or stylized ways such as painting and drawing This book focuses on image and video based NPR where the input is a 2D photograph or a video rather than a 3D model 2D NPR techniques have application in areas as diverse as consumer and professional digital photography and visual effects for TV and film production The book covers the full range of the state of the art of NPR with every chapter authored by internationally renowned experts in the field covering both classical and contemporary techniques It will enable both graduate students in computer graphics computer vision or image processing and professional developers alike to quickly become familiar with contemporary techniques enabling them to apply 2D NPR algorithms in their own projects
