FOREWORD

This repair manual provides information for the proper servicing and overhaul of Thomas Model 1183HJ and 1193HJ Loaders and is an essential publication for all service personnel carrying out repairs and maintenance procedures.

This manual covers units produced in 1988 and later. Special service instructions are identified by leader serial number or applicable production dates throughout the text.

The manual is divided into 8 sections, each divided into subsections. Each subsection contains information on general operating principles, detailed inspection and overhaul and, where applicable, trouble shooting, special tools and specifications.

The material contained in this manual was current at the time of going to press but Thomas policy is one of continuous improvement and the right to change prices, specifications, equipment or design at anytime without notice is reserved. All data in this manual is subject to production variations, so overall dimensions and weights should be considered as approximate only and illustrations do not necessarily depict the unit to standard tool specifications.
