Job, 2008-05 In Three Simple Rules Rueben Job offers an interpretation of John Wesley s General Rules for today s readers For individual reading or group study this insightful work calls us to mutual respect unity and a deeper daily relationship with God This simple but challenging look at three commands first do no harm do all the good you can and stay in love with God contrasts the simplicity of the phrases with the sharp counter cultural nature of Wesley s rules Table of Contents Introduction The World In Which We Live First Do No Harm Do All the Good You Can Stay in Love with God Excerpt from the book There are three simple rules that have the power to change the world While they are ancient they have seldom been fully put to the test But when and where practiced the world of things as they were was shaken until a new formation a new world was formed This new creation has happened in the past when these three simple rules were adopted as a way of living We live in such a fast paced frenzied and complex world that it is easy to believe we are all trapped into being someone we do not wish to be and living a life we do not desire to live We long for some way to cut through the complexities and turbulence of every day life We search for a way to overcome the divisiveness that separates disparages disrespects diminishes and leaves us wounded and incomplete We know deep within that the path we are on is not healthy or morally right and that it cannot lead to a positive ending We fear that there is no way out This way of living was given to John Wesley in a time much like our own He took this blue print fleshed it out taught it and practiced it And he has passed it on to us Now it is up to us to see if we will take it teach it and practice it until it becomes our natural way of living A way of living that will mark our life together and our lives as individual Christians Some already practice this way of living and I believe many more are ready to try it I
