Wessells,1973 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library  
journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately      **American Graphic Design** Ellen  
M. Thomson,1992-10-23 Graphic design is broadly interpreted in this annotated topical bibliography covering both scholarly  
and applied literature focusing on graphics printed commercially for mass consumption in the United States from colonial  
times to the present Materials extend from historical studies of design to textbooks and manuals of professional practice to  
theoretical works relating to design drawn from disciplines such as psychology and communication theory The 1100 entries  
include reference sources books periodical articles catalogs films and electronic data Among the topics covered are general  
reference design theory and history education and career guides professional practice production and layout typography  
calligraphy color reproduction caricature and photo illustrations as well as applications in advertising publication design  
corporate identity programs information graphics package design posters and signs Literature on computer technology as  
used in desktop publishing and computer graphics is also included Appendixes provide annotated listings of almost 200  
relevant annuals and serials as well as a directory of associations and organizations in the field Access to titles authors and a  
finer breakdown of subjects is facilitated by thorough indexing This work should be a valuable resource for professional  
designers scholars and students of design and librarians interested in collection development      **Communication Arts**

*Computer Typesetting* John Negru,1988      A Theory of Genericization on Brand Name Change Shawn Clankie,2002  
Clankie studies how some brand name products make their way into generic usage for a service or action An example is  
Xerox as a brand name product where linguistically the word is now used as a verb for the action I ll xerox this page And the  
word is used as an adjective for the results Do you have xerox copies In doing so he explores the underlying system of  
naming products why some product names are genericized while others are not and the social and economic impact of the  
idea      *Patenting and Marketing Your Invention* Bernard Rivkin,1986
