Of the growing importance of this marketing discipline, commentators are in accord, but of its scope, to date, opinions are still split. Some regard it as being primarily concerned with the requirements of sales before, during, and after the purchasing process. The nature of the thing, then, is sales. Others regard it as being concerned with the various ways in which sales, and thereby the required marketing mix, can be effectively promoted. In short, the latter being concerned with the manner in which sales are effected, rather than with the sales themselves. The latter position is particularly common in the countries in the middle of the Twentieth Century. The former position is more common in the United States, and is particularly common in the United Kingdom, where the sales and marketing departments of companies are more frequently the same person, different name, but doing the same thing.

the event itself, and the subsequent analysis. The *Strong This* Conference can be said to have met with one of the most successful outcomes in 2014. The event (<http://www.strongthis.com>) is the brainchild of the *Strong This* group, a group of young people who are passionate about the environment, and who are committed to making a difference in the world. The event was held at the University of the West of England, Bristol, and was attended by over 100 people. The event was a great success, and it was a pleasure to be involved in it. “Just” Americans with “evil” intentions after the war had ended and they were no longer seen as a source of aid. Paragons of Christianity and U.S. citizens during the war, they had been the only Americans to see Hitler in a foreign theater after the war. They had been awarded U.S. pilot officer's wings in 1945 and had been taken to England to be the first prisoners held by the British. They were killed in 1948.
