Think Before You Speak Roy J. Lewicki, 1996 You will learn the Twelve Rules of Strategic Negotiations the key points in competitive negotiation and special techniques for breaking through the difficult behavior of your opponent In each chapter you will find instructive case studies and anecdotes that illustrate the ways these skills can be applied to real life situations

Negotiation in the New Strategic Environment David M. Tressler, 2007 In stability security transition and reconstruction SSTR operations like the U S mission in Iraq negotiation is a common activity The success or failure of the thousands of negotiations taking place daily between U S military officers and local civilian and military leaders in Iraq affects tactical and operational results and the U S military's ability to achieve American strategic objectives By training its leaders especially junior ones to negotiate effectively the U S military will be better prepared to succeed in the increasingly complex operations it is conducting in Iraq as well as the ones it will face in the new strategic environment of the 21st century This monograph analyzes the U S Army's current predeployment negotiation training and compares it with the negotiating experience of U S Army and Marine Corps officers deployed to Iraq The author argues that successfully adapting to the nature of the contemporary operating environment requires changes that include increased training in negotiation Based on interviews with U S officers the author identifies three key elements of negotiation in SSTR operations and offers recommendations for U S soldiers to consider when negotiating with local Iraqi leaders for U S military trainers to consider when reviewing their predeployment negotiation training curriculum and for the Army and Marine Corps training and doctrine commands to consider when planning and structuring predeployment training **Practical Business Negotiation** William W.
