Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have

relied on this detailed subject guide to children's picture books for all aspects of children's services and this new edition does not disappoint. Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children's picture books making it both a comprehensive and user friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times. Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles.

The Human Kaboom Adam Rubin, 2024-03-05 The author of the 1 New York Times bestsellers *Dragons Love Tacos* and *The Ice Cream Machine* returns with another hilarious irresistible collection of six totally different stories with the same exact name. Adam Rubin is back with this companion to *The Ice Cream Machine* inviting you into six thrilling new worlds filled with daring and danger mystery and mayhem not to mention explosions. In a swanky New York City hotel a reclusive guest appears to have spontaneously combusted. On a school field trip to a human anatomy museum in space two kids try to pull off the greatest prank in history. Somewhere on a deserted island three siblings try to make a life for themselves after the rest of the planet has been decimated by gigantic rock monsters. And then there's the small quaint fishing town where a boy visiting his sister stumbles across an ancient curse the traveling circus where a young girl becomes the assistant to a death defying human cannonball and the rugged wilderness where one kid with superpowers just can't seem to find some peace. Each story is illustrated by a different artist including Marta Alt's Daniel Gray Barnett Rodolfo Montalvo Daniel Salmieri Adam de Souza and Gracey Zhang with black and white artwork that practically explodes off the page. So put on a helmet and hang on tight because this unpredictable book will blow you away. And exclusive to the paperback you'll also find six more stories inspired by *The Human Kaboom* written by kids like you and hand picked by Adam Rubin himself.
