Who Are You Change Jesus:

Today's Scripture Guidance Anthony Teran Miller, 2019-09-20 Today's Scripture Guidance contains daily Scripture from the Word of God to guide Believers and those who want to have detailed Holy Spirit guidance. Each daily Scripture is received from God through the servant of Jesus prayer to Him. The servant of Jesus surrenders to Jesus in prayer each day asking Him to utilize the Holy Spirit to meet God and receive the Scripture that God wants His people to read that day. The servant of Jesus also asks that Jesus call the Holy Spirit to send Spirit-taught words through the servant that gives Spirit guidance of the very Word of God. This prayer and surrender process is done by the servant of Jesus each day so that every single day of Scripture is from God and every single day of guidance to the Word of God is from the Holy Spirit. The Word and the guidance of God's Word is not from the servant of Jesus but is delivered through the servant of Jesus. This is the work that Jesus has called this servant to do. Amen. Today's Scripture Guidance is from the very Word of God. It is spoken boldly with Spirit-taught words. The guidance is there each day to help the readers of God's Word understand the mystery of His Word through words delivered by the Holy Spirit. Today's Scripture Guidance delivers daily reading and guidance to strengthen your understanding of the Word of God and to guide you through living your life in a way that pleases God. This Guidance will help you to truly understand the Word of God. Each day the Word was selected by God and the guidance was delivered with Spirit-taught Words from the Holy Spirit. Hallelujah.

Be Who You Want to Be Leon J. Boone, 2016-01-22 Be Who You Want to Be After years of struggling with being African Americans in the greatest country on earth the United States of America we are still not equal. As a preacher I preach to tell the common people that there is hope in this country. There is no pure race in our country. This world doesn't belong to any one civilization. The world is smaller than ever before. We need to respect one another and allow God to help us have confidence in one another. We need the vision to acknowledge the rights of all people. The grievances we have with one another are racial and large social groups discrimination and we must face it. We must encourage self-esteem for all people. When you don't know who you are you can't be who you want to be. I am convinced that we can profit a lot by being cautious. Don't turn your life over to someone else for his or her approval. Respect yourself. I want to encourage people to believe in their dreams. In order to make your dreams come true you must believe in yourself. I want you to know that people on top of the world do get slapped in the face by life's disappointments. There is help if we have an attitude of faith. Be mindful of what you share with other people. Some people are superstars only in their own minds. These people live on the edge of life. Bullying comes in different forms. This mysterious behavior that comes from other people will stop you from making smart choices. Every person goes through a change in his or her life. But failure could be a step forward in your life. If your plan has failed you use your disadvantage to your advantage. Our enemy walks with us daily. The only remedy for an emotional heart ache is your faith in God. Faith is holding on one day longer.
