When Art Meets Design:

When Art Meets Design Hunt Slonem, 2014-09-25 Offers a view into artist Hunt Slonem's fantastically decorated and meticulously restored homes such as his two Southern mansions in Louisiana named Albania and Lakeside Pairing vintage furniture with contemporary art including pieces by Alex Katz and Andy Warhol Slonem creates spectacular spaces **X: The Experience When Business Meets Design** Brian Solis, 2015-10-13 Welcome to a new era of business in which your brand is defined by those who experience it Do you know how your customers experience your brand today Do you know how they really feel Do you know what they say when you're not around In an always-on world where everyone is connected to information and also one another customer experience is your brand And without defining experiences brands become victim to whatever people feel and share In his new book **X: The Experience When Business Meets Design** bestselling author Brian Solis shares why great products are no longer good enough to win with customers and why creative marketing and delightful customer service too are not enough to succeed In **X** he shares why the future of business is experiential and how to create and cultivate meaningful experiences This isn't your ordinary business book The idea of a book was reimagined for a digital-meets-analog world to be a relevant and sensational experience Its aesthetic was meant to evoke emotion while also giving new perspective and insights to help you win the hearts and minds of your customers And the design of this book along with what fills its pages was done using the principles shared within Brian shares more than the importance of experience You'll learn how to design a desired meaningful and uniform experience in every moment of truth in a fun way including How our own experience gets in the way of designing for people not like us Why empathy and new perspective unlock creativity and innovation The importance of User Experience UX in real life and in executive thinking The humanity of Human-Centered Design in all you do The art of Hollywood storytelling from marketing to product design to packaging Apple's holistic approach to experience architecture The value of different journey and experience mapping approaches The future of business lies in experience architecture and you are the architect **Business meet design X** **New York School of Interior Design: Home** Ellen S. Fisher, Jen Renzi, 2018-03-27 An essential text for all students of design and inspiration and intel for those simply interested in the art and practice Alexa Hampton from the foreword From the nation's top college for interior design comes a definitive design school in a book and a fabulous reference for decorating the home In the past decade New York School of Interior Design which was founded in 1916 has drawn a large crossover audience of passionate decorating enthusiasts and hobbyists many of them private homeowners who know that thinking like a professional is the surest way to achieve a magnificent home This lavishly illustrated and highly detailed interior design bible provides a comprehensive education on home design and decor from color theory principles to space-specific considerations choosing furniture for a living room and collaborating with architects and other professionals for the best results Built on the Home Study Course that is the foundation of the school's curriculum this book offers an unparalleled mastery of the key elements of enduring

design rendering it the only book you'll ever need **Where Beauty Lies** Elle Fowler, Blair Fowler, 2013-08-13 Step behind the velvet ropes of Fashion Week and enter an exclusive world of opulent parties, hot guys, designer style, and new lies. In Hollywood, there's no such thing as bad press, especially when you're Sophia and Ava London. Despite their very public scandal, the London sisters are hotter than ever. Sophia's finally in the perfect relationship with the perfect guy, even if she can't get the memory of Giovanni out of her head. And Ava's taking a break from dating to focus on her career, while a new love interest is trying to disrupt her carefully laid plans. Best of all, Sophia and Ava have just been given a chance to create their own fashion line for New York Fashion Week. It's a once-in-a-lifetime opportunity, but only if their ruthless rivals don't destroy them first. The same unseen enemies who tried to ruin them back in L.A. are in New York to finish the job. And a new competitor is hiding in the shadows of the runway, waiting for a chance to steal everything. Sophia and Ava have worked so hard for it. In the cutthroat world of high fashion, it's impossible to know who your real friends are. At least Sophia and Ava can count on each other, but will it be enough to keep them from losing it all? From internet sensations Elle and Blair Fowler comes *Where Beauty Lies*, the dazzling sequel to *Beneath the Glitter*. **The Art of Gracie** Jennifer Gracie, Mike Gracie, Zach Shea, Brian Gracie, 2024-09-10 A glorious celebration of America's most storied handpainted wallpaper company, family owned for 125 years, featuring dozens of rooms by today's top interior designers. The story of Gracie wallpaper, founded in 1898 and still family owned by the sixth generation, is one of the great untold stories of American interior design. Best known for their exquisitely detailed designs, Gracie papers have been installed at the White House and many of America's most notable homes. They are a go-to resource for interior designers, including Mark Sikes, Summer Thornton, Ellie Cullman, Brooke Giannetti, Suzanne Kasler, Michael S. Smith, Alexa Hampton, Alex Papachristidis, and Amanda Lindroth, and Gracie can be found in the homes of celebrities including Reese Witherspoon, Jennifer Aniston, and Cameron Diaz. This volume, featuring hundreds of color photographs of contemporary rooms by leading interior designers, shows the range, not only of the papers themselves, from beautiful florals and birds to panoramic landscapes of American folk scenes and French pastoral hillsides to hunting and maritime scenes, but also the imaginative ways they can be used to create truly transporting spaces. Designs in every imaginable color, from metallics to lush greens and cobalt blues to dramatic reds and blacks, show that with Gracie, any room in the home can become a true custom work of art. Exquisite production detail on this volume, including 4-color printed page edges and a cover design custom painted by Gracie exclusively for the book, will make this a must-have gift item that every interior design fan will want to display. *Dream Design Live* Paloma Contreras, 2018-09-04 Home decorating and furnishing inspiration from an Elle Decor A-List interior designer and tastemaker. In *Dream Design Live*, decorator Paloma Contreras goes beyond interior design to show readers how to inhabit their homes in fulfilling and beautiful ways. Divided into three sections, this hardworking book proves that the most appealing interiors are also the most personal ones. Contreras takes readers through the design process and encourages them to seek inspiration from the approach that works best for them.
