Rethinking Identities Across Boundaries Claudia Capancioni, Mariaconcetta Costantini, Mara Mattosio, 2023-11-22 This collection of essays aims to widen the current critique on borders by examining their entanglements with constructions of identity and disciplinary categories In particular it calls into question established models of gender notions of narrative genres and typological genera of borders in today's literary artistic philosophical and socio political discourse The chapters interrogate boundaries and boundary crossing not only in terms of geographical frontiers and the physical acts of trespassing but also as discursive constructs that police crossing subjects as gendered subjects on the one hand and identify artistic genres and academic disciplines as fixed sealed in ways of understanding the world on the other Taking inspiration from the multiple meanings of the Italian word *genere* which stands for gender genre

and typology genus simultaneously the volume reflects on the gendered narrative and typological nature of borders and border imagery and on the significance and potentialities of crossover phenomena taking place in borderlands in the fields of arts literature anthropology sociology and philosophy **Rethinking Art and Visual Culture** Asbjørn Skarsvåg
