The Weeping Love F. Shelton Gonkerwon, 2015-08-13 The Weeping Love: A New Creation After the Storm entails a stimulating romance account that depicts some sad events that often plague love, regime, and provoke unconscious disintegration in marital union. The book attempts to present love as an original instrument whose power works spiritually based on nature over which the human mind, heart, and soul have no absolute control. It essentially argues that the natural price for love is love, and not luxuries and other influential elements including money and power, as is considered by many persons as a precondition for sustainable marital union. The book equates love to truth that is never susceptible to falsehood. It presents the fact that love, like the sky, which is often defaced by dark clouds, has its unavoidable share of temptation, frustration, and other vices. It maintains that sustained love, like long-lasting peace, is the end result of social turbulence and conflict. Readers will realize that love that serves as a long-lasting foundation in marital life is not often earned on a silver platter. Like gold, it has its own processing fire, including temptation, disappointment, as well as frustration. Indeed, marriage tested by these factors often enjoys endurance and blessings. Contained potentially with literary exposition, the book is also annexed by captivating poems and some philosophical expressions that are useful for daily guidance.

When Love & Sorrow Embrace Beth Forbus, 2006-05 When Love Sorrow Embrace offers Biblical encouragement to parents grieving a miscarriage. Based on beloved Biblical encounters with God Himself, readers find hope, encouragement, and healing.

Goliath's Curse Luke Kemp, 2025-09-23 A NEXT BIG IDEA CLUB'S MUST READ BOOK A radical retelling of human history through the cycle of societal collapse, a Cassandra-like warning about the path today's oligarchs have set, and a sweeping and dire vision of a world on the brink. Publishers Weekly starred review: Deeply sobering and strangely inspiring. Read it now or your descendants will find it in the ruins. Johann Hari, author of Stolen Focus: Anyone who doubts the importance of this conversation hasn't been paying attention. Bill McKibben, author of Here Comes the Sun: 12,000 years ago, human history changed forever when the egalitarian groups of hunter-gathering humans began to settle down and organize themselves into

hierarchies The few dominated the many seizing control through violence What emerged were Goliaths large societies built on a collection of hierarchies that are also terrifyingly fragile collapsing time after time across the world Today we live in a single global Goliath one that is precariously interdependent under threat from nuclear war climate change and the existential risks of AI The next collapse may be our last In Goliath s Curse Cambridge scholar Luke Kemp conducts a historical autopsy on our species from the earliest cities to the collapse of modern states like Somalia Drawing on historical databases and the latest discoveries in archaeology and anthropology he uncovers groundbreaking revelations More democratic societies tend to be more resilient A modern collapse is likely to be global long lasting and more dire than ever before Collapse may be invisible until after it has occurred It s possible we re living through one now Collapse has often had a more positive outcome for the general population than for the 1% All Goliaths contain the seeds of their own demise As useful for finding a way forward as it is for diagnosing our precarious present Goliath s Curse is a stark reminder that there are both bright and dark sides to societal collapse that it is not necessarily a reversion to chaos or a dark age and that making a more resilient world may well mean making a more just one

Humbler Faith, Bigger God Samuel

Wells,2022-03-29 Finding a renewed Christian story in a time of skepticism and doubt Is Christianity just a fairy tale for the infantile Or worse a cruel fantasy the perpetrator of terrible harm and the cause of endless conflict At most one path among many Such questions reflect the skepticism of outsiders and the doubts of insiders some perennial some underscored by recent events and movements The answer to these objections isn t a louder faith to shout them down it s a humbler faith that points to a bigger God Samuel Wells shows the way through his generous respectful and earnest engagement with ten difficult questions about Christianity In each case he portrays the traditional position and the skepticism of the modern age as two rival stories Transcending both he then offers a revitalized Christian story that better renders the radical courageous and vulnerable nature of authentic faith Wells is unwaveringly honest about the failures of the institutional church and acknowledges many people s negative prior experiences of Christianity making this a book for both Christians and non Christians who have found the stories of their lives disrupted and now seek a fulfilling and truthful story to live by

time you see him And you will see him It s the Apocalypse and all that *The Serpent in Samuel* Brian A. Verrett,2020-02-17
In this study Brian A Verrett argues that 1 2 Samuel contains a serpent motif by practicing biblical theology and literary criticism This motif derives from the serpent in Genesis 3 and its function within the Samuel narrative is to heighten the reader s anticipation in the coming messiah who is the son of David and the seed of the woman from Genesis 3 15 This messiah will defeat the serpent and inaugurate his glorious reign over a renewed world When 1 2 Samuel is read in this way one appreciates previously unnoticed features of the text understands aspects of the text that were formerly confusing and rightly sees that the whole of 1 2 Samuel is a messianic document *Noah's Park Children's Church Leader's Guide, Red Edition* ,2007 The crafts in this book coordinate with each lesson in the Noah s Park Leader s Guide Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week Each craft activity in the book has a list of supplies which should be obtained prior to the session

Goliath Killers Israel Jimah,2020-02-21 Goliath of Gath was a powerful enemy who defied the Israeli army of King Saul and by extension the God of Israel No Israelite could withstand Goliath but when David came on the scene the story changed As it was then so it is today There are Goliath forces that are seeking to frustrate the glorious destinies of individuals families communities and even nations The God of David has not changed what he did through David he is still doing today Goliath killers are being raised by the God of heaven to bring down the Goliaths that stand on their way just like David It is amazing that upon all the boastings of Goliath a young man brought him down with a stone and a sling God directed David s stone into Goliath s soft spot his forehead Your Goliath has a soft spot and God knows how to target that spot with your sling and smooth stone That Goliath in your life must die that enemy has to be brought down by the power of the God of heaven That stubborn challenge staring you in the face must come down This book is a Holy Spiritinspired spiritual war material that details the killing of Goliath by David and how you and I can rise up today and also kill our own Goliaths by the power of God We cannot allow the forces of Goliath any more space no more room for them no more chance for them enough is enough now is the time to get them down and God wants to use us like he used David Check out this book and see how you can be a Goliath killer
