Happens: Angels, Miracles, and Heavenly Encounters Angela Hunt,Bill Myers,2019-04-16 PRAISE FOR THE WHEN GOD HAPPENS SERIES Reading When God Happens is like receiving an intravenous dose of hope in a world parched by hopelessness It will remind you not just to hope for miracles but to expect them Melanie Hemry Guideposts magazine writer and author of fifty four books A powerful read Dimas Salaberrios author of Street God True stories like these require those who don t believe in angels to explain the unexplainable Cal Thomas syndicated columnist A diesel mechanic is smashed under the weight of a logging truck A child s inner tube is sucked out of a peaceful stretch of water into a frothing patch of dangerous rapids A woman searching for peace is met with an icy chill when she begins arranging runestones In all these stories there is one common thread God s angels are waiting and ready to powerfully intervene If you have ever doubted the presence of angels or questioned whether God is still acting through them this book will inspire you to look beyond your everyday perceptions In the follow up to their 2018 title When God Happens True Stories of Modern Day Miracles bestselling authors Angela Hunt and Bill Myers invite you into the miraculous sharing nineteen true firsthand testimonies of angelic appearances perfectly placed protection and unforeseen interventions that will encourage you in your faith and cause even the most skeptical minds to take a second look Hear from a father whose family was saved from back alley cutthroats by a mysterious Scotsman a woman whose spiritual battle was inexplicably resolved through a tattooed pickup driver interested in potted plants and a newlywed home economist whose generosity to an unexpected visitor transformed her life If you have ever doubted what angels are where they come from or how God is working through them today we pray these stories will open your eyes to the mighty work that is done when God happens *Heaven Touching Earth* ,2014-09-09 God Is Closer Than You Might Think A thin curtain separates the physical world from the unseen spiritual realm And sometimes God pulls it back to give us a glimpse of the other side In Heaven Touching Earth ordinary people share more than forty all new stories of miracles healing divine provision and protection and encounters with angels and demons These true uplifting stories will remind you that even when you don t see obvious evidence of God at work in your life or get quick answers to prayer there is a loving Father who protects and provides and is always working on your behalf in the invisible realm Whether you re simply curious about the supernatural world or longing for a fresh experience of God s presence these inspiring stories will touch your heart and strengthen your faith in the God of miracles **An Angel to Watch Over Me** Joan Wester

Anderson,2012-03-01 Children are known to have wild imaginizations which explains why their stuffed animals talk and

invisible friends get invited to tea parties So it s no wonder than when a child reports a personal encounter with an angel adults tend to dismiss it with a wry smile and say That s nice sweetie Why don t you go outside and play But Joan Wester Anderson says not so fast If Jesus himself taught that the kingdom of heaven belongs to children there s no reason in the world not to believe that God can reveal his love to little ones through angels In *An Angel to Watch Over Me* originally published by Random House in 1994 with sales of 150 000 copies Anderson shares more than 30 stories of children s experiences with celestial beings from a boy whose angels helps him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home From angels who combat evil and darkness to angels who bring news of comfort and joy each of these accounts is grounded in traditional Christian belief eschewing any New Age interpretation of the events For all who are open to the possibility that even children can have authentic spiritual lives and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers this book is sure to stir the soul and fan the faith

You Are Love Mary LaSota,2009-08-18 If you believe that YOU ARE LOV E all you desired will be possible The Universe will become a totally loving place Handling life situations with love and loving ways will enhance your life the lifes of the ones you love those you know those you don t know and all of humanity Your physical self soul and heart are pure love It is a special love given to all of us by our Creator All of us came to Earth as Beings of complete special love From the time you were born however issues began to come along that accumulated and perhaps now you no long believe that YOU ARE LOVE It is possible to get back on track by utilizing love and loving ways in handling life s issues and concerns By doing so you will be able to create with others a world where all persons share equally and contribute to enhance the life of all humankind This will lead all persons to reach the ultimate that which is JOY **1 + 1 = God** Michael Pietrzyk,2017-06-15 What do you do when family and friends doubt the existence of God How do you respond and are your Christian core beliefs on solid ground Mike decided to research the atheist beliefs and confirm his natural belief in God and Jesus Over three years Mike read no less than eighty four books by both Christian and atheist authors and reviewed multiple debates between Christians and atheists In doing so he established his common sense viewpoints that God s wisdom is present in this Universe Mankind Salvation and the Supernatural This book is a compilation of Mike s common sense viewpoints which are simple to understand They are substantiated through the research writings of various Christian authors The main concern of this book is that when your spirit leaves this life you will have eternal happiness in the presence of Jesus Validation of Mike s confirmation is his own supernatural experience of God s protection which was outside the boundaries of science The atheist premise that nothing happens outside the rules of science falls apart with Mike s experience and the experiences of many many others This book is an excellent source not just if you are searching for answers about Christianity and atheism but it s an affirmation that God is love

Ten Million Steps M. J. Eberhart,2007-03-22 M J Eberhart aka the Nimblewill Nomad was a 60 year old retired doctor in January 1998 when he set off on a foot journey that carried him 4 400

miles twice the length of the Appalachian Trail from the Florida Keys to the far north of Quebec Written in a vivid journal style the author unabashedly recounts the good friendships with other hikers he met the bad sore legs cutting winds and rain and the godawful those dispiriting doubts aspects of his days of walking along what has since become known as the Eastern Continental Trail ECT An amazing tale of self discovery and insight into the magic that reverberates from intense physical exertion and a high goal Eberhart's is the only written account of a thru hike along the ECT Covering 16 states and 2 Canadian provinces Ten Million Steps deftly mixes practical considerations of an almost unimaginable undertaking with the author's trademark humor and philosophical musings

Angelic Tails Joan Wester Anderson, 2011-04-01 *Angelic Tails* is a collection of down to earth true stories from ordinary people who believe that God has graced their lives through heavenly canine companions Each of the 30 stories challenges readers to reconsider their conception of angels from the story of a former Air Force colonel whose golden retrievers served as his heavenly helpers in the Colorado wilderness to the account of St John Bosco who for more than 30 years was protected by an angelic dog as he walked the dangerous city streets In the end for all who see through the eyes of faith this book is evidence that God can use even muddy paws and cold noses to fulfill his purposes in our world

Angels in the Fire Dann Stadler, 2013-07-01 An Amazing True Story of Angelic Intervention in a Desperate Situation The Stadlers harrowing journey began with a midnight crash caused by a drunk driver The odds they would both survive the crash were minimal a testimony to the miracles that began that night and continued through months of surgeries and hospitalizations The Stadlers struggled to rebuild their lives only to face more heartache and loss But through the hard times their faith grew as God continued to save them from despair and bring blessings into their lives For everyone seeking a deeper faith or affirmation of their belief in a good God this book will provide hope and the reassurance that God still ministers through his angels today
