Valiant Women Of The Vietnam War:

The Valiant Women of the Vietnam War Karen Zeinert,2000-01-01 Enhanced with timeline photos sidebars and index this informative book offers young readers an in depth look at the role women played during the Vietnam War in their various capacities and the courageous sacrifices they made to help others and boost morale Voices from the Vietnam War Xiaobing Li,2010-06-11 The Vietnam War s influence on politics foreign policy and subsequent military campaigns is the center of much debate and analysis But the impact on veterans across the globe as well as the war s effects on individual lives and communities is a largely neglected issue As a consequence of cultural and legal barriers the oral histories of the Vietnam War currently available in English are predictably one sided providing limited insight into the inner workings of the Communist nations that participated in the war Furthermore many of these accounts focus on combat experiences rather than the backgrounds belief systems and social experiences of interviewees resulting in an incomplete historiography of the war Chinese native Xiaobing Li corrects this oversight in Voices from the Vietnam War Stories from American Asian and Russian Veterans Li spent seven years gathering hundreds of personal accounts from survivors of the war accounts that span continents nationalities and political affiliations The twenty two intimate stories in the book feature the experiences of American Chinese Russian Korean and North and South Vietnamese veterans representing the views of both anti Communist and Communist participants including Chinese officers of the PLA a Russian missile training instructor and a KGB spy These narratives humanize and contextualize the war s events while shedding light on aspects of the war previously unknown to Western scholars Providing fresh perspectives on a long discussed topic Voices from the Vietnam War offers a thorough and unique understanding of America s longest war **Timeline of the Vietnam War** Charlie Samuels,2011-08-01 Presents the timeline of the Vietnam War including the causes of the conflict the United States entry into the war the life of soldiers on both sides the home front and the end of the long war Tragedy of Vietnam Patrick J.
