has been with all of Eileen Sheehan's books so far I enjoyed it enough to give it 5 stars I hope she keeps them coming If there is one thing you can say about Eileen's books it's that they are never boring This book is action packed once you start reading it you won't want to put it down The characters are great well developed and relatable Loved the plot it's different than other books I've read which is a nice change This book just doesn't disappoint with all its twist and turns I highly recommend it
