Self and Others: Selected Works of R D Laing Vol 2 R D Laing,2013-01-11 Originally published in 1961 this book is divided into two parts In the first Laing critiques the Kleinian view of unconsciou phantasy as developed by Susan Sutherland Isaacs He emphasizes the overwhelming presence of social phantasy systems In Part 2 Laing discusses the extent to which an individual is or is not invested in their own actions using ideas drawn from Martin Buber and Sartre *A Love Episode* Émile Zola,2005 Rougon Macquart volume 8 There can be no doubt in the mind of the judicial critic that in the pages of A Love Episode Une page d amour the reader finds more of the poetical more of the delicately artistic more of the subtle emanation of creative and analytical genius than in any other of Zola s works In all literature there is nothing like the portrayal of the punishment of Helene Grandjean Helene and little Jeanne are reversions of type The old neurosis seen in earlier bran ches of the family reappears in these characters Readers of the series will know where it began Poor little Jeanne most pathetic of creations is a study in abnormal jealousy a jealousy which seems to be clairvoyant full of supernatural intuitions turning everything to suspicion a jealousy which blights and kills Could the memory of those weeks of anguish fade from Helene s soul This dying of a broken heart is not merely the figment of a poet s fancy It has happened in real life The coming of death save in the case of the very aged seems nearly always brutally cruel at least to those friends who survive C C Starkweather **Comparative Religion - 1954** Eugen Rosenstock-Huessy,1997-08 **The Chatterbox**,1895
