You Only Die Once You Only Die Once:

You Only Die Once Margie Jenkins, 2002-10-03 Death is something readers usually don't like to think about. That is understandable but as Margie Jenkins points out that kind of denial misses out of life's last adventure. As practical as it is profound, this book teaches that good preparation for death is the foundation for a bold and rewarding life. **You Only Die Once** Jodi Wellman, 2024-05-07 A kick in the pants wake up call to start living meaningfully in light of how many Mondays you have left from longtime coach, positive psychology expert and Penn Resilience Program instructor Jodi Wellman. Wellman poses a profound question we too often avoid: How many Mondays do you have left? This book will jolt you out of complacency and redirect your limited time toward joyful meaningful pursuits. Daniel H. Pink, 1 New York Times bestselling author of *The Power of Regret*, *Drive*, and *A Whole New Mind*. How many Mondays do you have left? Does that question send you into a panic spiral or are you convinced that unlike everyone in the history of life on earth, you will somehow avoid the tragic end and live to tell the tale? Statistically, we get about 4,000 Mondays in our lifetime, so if you're halfway through your life, you might have roughly 2,000 Mondays to go. The good news is that you are in charge of how you spend those days: toiling at a job you hate or creating a career you love; scrolling mindlessly for hours a day or pursuing the hobbies and travel that light you up; dreading the end or living a full life that allows you to greet the Grim Reaper with a smile. Built around the principles of positive psychology, *You Only Die Once* is the jolt that will bring you back to life; no near-death experience required. Full of practical takeaways and research-backed content, this book will motivate readers to take action on the life they want to be living, acting like a defibrillator for the soul. Accompanied by author Jodi Wellman's charming illustrations, this book won't lecture you about eating more kale or insist that the only path forward is to quit your job and move to Provence, although it's not suggesting you do that either. The latter, that is. We'd never ask anyone to eat more kale. Instead, it's a real-life guide to small changes that reawaken your passion and curiosity for life. Packed with inspiring stories, exercises, quizzes, quotes, and a step-by-step plan to awaken the liveliest version of you, *You Only Die Once* is the healthy dose of mortality you need to start living with urgency and meaning. **You Only Die Once** Alicia Lorelei Greene, 2021-04-30 Fiona's desire for a more exciting relationship than the one she's in has her wondering whether it's time to cut her losses and move on to explore more titillating options with Abigail, who is the polar opposite of her uber-monogamous boyfriend. As she wrestles with her decision, she is targeted by a pair of brothers who are hell-bent to avenge their family's deaths. When they shoot her for dead, Abigail comes to her rescue, but it's no ordinary rescue. What Abigail does forever changes the course of Fiona's life and creates a new problem for her to resolve. Now she must adapt to her new reality and tiptoe around small-town sensibilities before anyone discovers her secret. That proves difficult with sexy vampires vying for her attention, new supernatural abilities she's not sure she can control, and the current boyfriend who has no clue what's happened to her. Has the woman who wanted more excitement found more than she can handle or exactly what she needed? **The Fall and Restoration**
