Father John's Story Sara Shea, 2012 This is the biography of the Czech priest John Prachar a Nazi labor camp survivor who was later forced to flee from his homeland because the communist party didn't agree with what he preached Welcomed into the Diocese of Lincoln Nebraska Father John made a new home and served as priest and patriot for forty years For more information and other purchasing options please visit [FatherJohnsStory.wordpress.com](#) Victims and Survivors of Nazi Human Experiments Paul Weindling, 2014-12-18 While the coerced human experiments are notorious among all the atrocities under National Socialism they have been marginalised by mainstream historians This book seeks to remedy the marginalisation and to place the experiments in the context of the broad history of National Socialism and the Holocaust Paul Weindling bases this study on the reconstruction of a victim group through individual victims life histories and by weaving the victims experiences collectively together in terms of different groupings especially gender ethnicity and religion age and nationality The timing of the experiments where they occurred how many victims there were and who they were is analysed as are hitherto under researched aspects such as Nazi anatomy and executions The experiments are also linked more broadly to major elements in the dynamic and fluid Nazi power structure and the implementation of racial policies The approach is informed by social history from below exploring both the rationales and motives of perpetrators but assessing these critically in the light of victim narratives

Doyle, 2024-03-15 Men of God Men of War tells the stories of chaplains who have served in America's wars In his exploration of military chaplaincy author Robert Doyle poses questions about their brand of service to the United States He examines the complexities of the chaplains vocation the types of services they performed the roles they assumed in combat and as prisoners of war and how they interacted with the military personnel they served and supported Doyle explores the high price many paid for their commitment to their unique type of service Doyle illuminates the histories of chaplains who did their duty selflessly to God to their country to the soldiers sailors Marines and airmen with whom they found themselves in very dire circumstances over the past three hundred years Chaplains throughout American history have served bravely and selflessly at home and in the field both under fire and behind the wire Chaplains served as sources of motivation inspiration and peace for military personnel in times of hardship especially in captivity Doyle illustrates that while they are now treated as non combatants chaplains vital role as leaders cannot be underestimated or understated Men of God Men of War examines how chaplains performed under fire in hostile environments beginning with the Revolutionary War through the war on terror in Iraq and Afghanistan The chaplains of the Revolution were patriots first soldiers second and men of God third From the Civil War to modern times these men gave hope to the hopeless absolution to those soldiers who stood before their Maker before battles and faith in themselves and their comrades so necessary for men in combat Doyle's research shows that military chaplains have always remained necessary to men at war even in a modern secular military
