You've Got Libya Greg Livingstone, 2014 Stories from a lifetime spent planting churches in Muslim communities

You've Got Libya Greg Livingstone, 2014-03-21 Greg Livingstone has spent a lifetime planting churches in Muslim communities and can testify to the life changing power of the gospel in even the most unpromising circumstances This is his autobiography Unwanted at birth and born out of wedlock no one would have considered that Greg Livingstone would become a pioneer in missions to unreached Muslim peoples You've Got Libya charts his journey and his adventures This first hand narrative is full of compelling humor and self depreciating honesty as Livingstone travels all over the world proclaiming the Gospel The result is a page turning tour de force that urges the reader to pursue God unreservedly and to join with Him in the adventure of pursuing the lost Greg's burden for the millions of Muslims who had no gospel witness amongst them led to the launching of Frontiers a mission agency focusing exclusively on church planting amongst Muslim communities Today Frontiers is a movement of more than 1 000 field workers in nearly 50 countries **You've Got Libya** Greg

the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins **Uncharted Mission** D. C. Keane, 2021-11-02 Too Soon to

Celebrate Too Soon to Quit Lord why another mission agency There are already so many good ones Greg Livingstone cried out on a beach in 1983 But as he made his case to God that he should find someone else to change the world the answer became clear the world needed a new agency operating in a new way that would focus entirely on all Muslim peoples So

began the wild risky worthy story told in *Uncharted Mission* a book that is more than the history of the founding of Frontiers D C Keane weaves together interviews with over one hundred missionaries who refused to accept the status quo in missions and were willing to go where no one had gone before to the Muslim frontiers In this inspiring true story you ll meet pastors engineers artists pilots and others whose lives changed course when they discovered that Muslims were largely left out of historic missionary efforts This is a book for innovators who ask as Greg Livingstone always asks How can we do this better How can we improve Don t simply admire the groundbreakers who went before us in this compelling narrative there is still work to be done There are still frontiers of mission for the next generation of Christians who want to change the world
