Yugoslavia: A Concise History L. Benson, 2003-10-28 Yugoslavia A Concise History surveys the whole turbulent course of the country's history in the context of the struggles between great powers for control of the Balkans Torn apart by nationalist rivalries the first Yugoslavia lapsed into paralysis and dictatorship Axis occupation in 1941 unleashed a murderous civil war in which the Communist Party emerged victorious Tito's Yugoslavia appeared to the world as a peaceful multi national federation but in the end disintegrated amid barbarism unknown in Europe for half a century This revised and fully updated edition explains why and takes the events up to the arrest of Milosevic in 2001 and beyond **Yugoslavia** L. Benson, 2001-10-10 Yugoslavia A Concise History surveys the whole turbulent course of the country's history in the context of the struggles between great powers for control of the Balkans Torn apart by nationalist rivalries the first Yugoslavia lapsed into paralysis and dictatorship Axis occupation in 1941 unleashed a murderous civil war in which the Communist Party emerged victorious Tito's Yugoslavia appeared to the world as a peaceful multi national federation but in the end disintegrated amid barbarism unknown in Europe for half a century This revised and fully updated edition explains why and takes the events up to the arrest of Milosevic in 2001 and beyond **A Concise History of Serbia** Dejan Djokić, 2023-01-26 An accessible and engaging single volume history of Serbia from the Early Middle Ages to the present day **Breaking the South Slav Dream** Kate Hudson, 2003-06-20 This is a revisionist history of the rise and fall of Yugoslavia Assessing the geopolitical and strategic reasons for its creation and dismemberment it is an important corrective to much contemporary theorising about the destruction of the Yugoslav state Kate Hudson draws attention to the role of foreign states whose involvement in Yugoslavia did much to destabilise the region and explains how and why this happened Tracing the state's origins from 1918 through war and the Tito years she explains the distortion of the socialist economy resulting from Yugoslavia's unusual position between the two Cold War blocs and the economic collapse of the 1980s as part of the US's drive for a free market She also investigates the true causes and effects of the recent wars in Croatia Bosnia and Kosovo and brings the book up to date with an analysis of Milosevic's downfall and events in Macedonia and Montenegro **European Civil War Films** Eleftheria Rania Kosmidou, 2013 This book examines the ways in which late twentieth century European cinema deals with the neglected subject of civil war Exploring a range of films about the Spanish Irish former Yugoslavia and Greek civil wars this comparative and interdisciplinary study engages with contemporary debates in cultural memory and investigates the ways in which cinematic postmemory is problematic Many of the films present an idealized past that glosses over the reality of these civil wars at times producing a nostalgic discourse of loss and longing Other films engage with the past in a melancholic fashion These cinematic discourses articulate contemporary concerns especially the loss of ideology and a utopian political horizon in the aftermath of the collapse of the Soviet bloc in 1989 a date that marks a significant break in European history and an accompanying paradigm shift in European cultural memory Filmmakers examined include

Conley, 2020-02-25 Resulting from a twenty year period of research this book seeks to challenge contradictions between the concepts of national and modern architectures promoted among the most pronounced national groups of Yugoslavia Serbs Croats and Slovenes It spans from the beginning of their nation building programs in the mid nineteenth century until the collapse of unified South Slavic ideology and the outbreak of the Second World War Organized into two parts it sheds new light onto the question of how two conflicting political agendas on one side the quest for integral Yugoslavism and on the other the fight for strictly separate national identities were acknowledged through the architecture and urbanism of Belgrade Zagreb and Ljubljana Drawing wider conclusions author Tanja D Conley investigates boundaries between two opposing yet interrelated tendencies characterizing the architectural professional in the age of modernity the search for authenticity versus the strive towards globalization *Urban Architectures in Interwar Yugoslavia* will appeal to researchers academics and students interested in Central and Eastern European architectural history
