Zechariah Everymans Bible Commentary Everymans Bible Commentaries:

Zechariah- Everyman's Bible Commentary Carl Laney, 1984-08-05 Zechariah written to encourage the remnant of Israel struggling to follow the Lord looks ahead to the eventual triumph of God's people and the coming of the Messiah. It contains many prophecies about Messiah, His life on earth, His millennial reign and the salvation He would bring so many in fact that it has been called the Revelation of the Old Testament. In this easy to read, easy to use commentary J. Carl Laney takes you through these prophecies carefully giving you guidelines for interpreting apocalyptic literature and enriching your understanding of the times in which Zechariah lived. With this Everyman's Bible Commentary as your guide you can discover rich truths about the Lord Jesus Christ found in the minor prophets. Use it in your personal study or as the basis of group or Sunday school study.

Zechariah's Hope Paperback David C. Coldwell, 2018-01-24 The Book of Zechariah may be one of the least read books in the Bible. For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them. My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives. When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet. They would often ask questions or share their thoughts about Zechariah long after our devotional had ended. I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world. According to Proverbs, life is a series of choices between which roads we will travel. We decide daily to either take the path of the righteous or the way of the wicked. We choose regularly to either walk on the path of the wise person or stroll along the way of the fool.

Nelson's New Illustrated Bible Commentary Thomas Nelson, 1999-05-13 A comprehensive verse by verse commentary for lay Bible students fully highlighted by articles, maps, charts, and illustrations all in one volume. Clear and Comprehensive Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly but commentators make their positions clear. Attractively Designed Graphics appeal to the sound bite generation and others who aren't traditional commentary readers. Interesting and Revealing Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing Maps, drawings, and photos illuminate the commentary and visualize important information.
