Vanda Young Inside Australias Hit Factory:

Historical Dictionary of Australia Norman Abjorensen, James C. Docherty, 2014-12-05 Australia's development from the most unpromising of beginnings as a British prison in 1788 to the prosperous liberal democracy of the present is as remarkable as is its success as a country of large scale immigration. Since 1942 it has been a loyal ally of the United States and has demonstrated this loyalty by contributing troops to the war in Vietnam and by being part of the coalition of the willing in the U S invasion of Iraq in 2003 and in operations in Afghanistan. In recent years it has also been more willing to promote peace and democracy in its Pacific and Asian neighbors. This fourth edition of *Historical Dictionary of Australia* covers its history through a chronology, an introductory essay, appendixes and an extensive bibliography. The dictionary section has over 500 cross referenced entries on important personalities, politics, economy, foreign relations, religion and culture. This book is an excellent access point for students, researchers and anyone wanting to know more about Australia.

Vanda & Young John Tait, 2010-10 Harry Vanda and George Young put Friday on our minds, triggered Easybeats and harnessed the raw energy and power of Aussie pub rock to make superstars of AC/DC, Rose Tattoo and the Angels. The day Vanda and Young met at Sydney's Villawood Migrant Hostel has been called the most significant moment in Australian music history. What followed as members of the Easybeats, producers and mentors for George's brothers band AC/DC and songwriters of a diverse range of hits from Friday on My Mind, She's So Fine, Yesterday's Hero and Love is in the Air has provided the soundtrack to the last 50 years. Featuring revelatory interviews with Vanda and Young and members AC/DC and the other chart topping acts they worked with, this is the inspirational story of Australia's top songwriters, producers and starmakers.

Pub Rock in the UK and Australia Andy Bennett, Jon Stratton, 2025-11-19 This book critically examines two versions of the genre identified as pub rock as they evolved in the UK and Australia. Both developed in the communal spaces of pubs and both had their heyday in the mid to late 1970s. Indeed the two have so much in common that AC/DC, sometimes thought of as the quintessential Australian pub rock group, became hugely popular in the UK while other Australian groups such as the Sports Outliers of pub rock also had success there. At the same time UK pub rockers like Graham Parker and the Rumour and Rockpile toured Australia. Three of Parker's albums climbed to higher places on the Australian chart than on the UK chart. However a great deal separated the two genres. In the UK pub rock is often misleadingly viewed as the insipid music which was violently replaced by the uproarious and rebellious punk sounds of Sex Pistols, the Clash, the Slits and the other do it yourself groups of 1977 and later. Many members of groups later identified as punk, including Sex Pistols and the Clash, had previously played in groups identified as pub rock. In Australia pub rock played by groups including Billy Thorpe and the Aztecs, the Angels and Rose Tattoo formed the basis for the mainstream guitar rock sound that dominated Australian popular music through the 1980s and into the 1990s. This book makes a valuable contribution to cultural sociology, popular music and cultural studies.

The Youngs Jesse Fink, 2024-03-26 The Youngs, the Brothers Who Built AC/DC, is unlike any AC

DC book you've read before. Less a biography, more a critical appreciation, it tells the story of the trio through 11 classic rock songs and reveals some of the personal and creative secrets that went into their making. Important figures from AC/DC's long way to the top open up for the very first time, while unsung heroes behind the band's success are given the credit they are due. Accepted accounts of events are challenged, while sensational new details emerge to cast a whole new light on the band's history, especially their early years with Atlantic Records in the United States. Former AC/DC members and musicians from bands such as Guns N' Roses, Dropkick Murphys, Airbourne, and Rose Tattoo also give their take on the Youngs' brand of magic. Their music has never pulled its punches. Neither does *The Youngs After 40*. Years AC/DC might just have gotten the serious book it deserves.

Hunters & Collectors's Human Frailty Jon Stratton, 2023-03-09 Released in 1986. *Hunters and Collectors* album. *Human Frailty* is one of the most important Australian albums of the last two decades of the twentieth century. It was pivotal in the group's career and marked the group's move into pub rock. It is unashamedly concerned with love and desire. The album challenged traditional understandings of Australian masculinity while playing music to predominantly male audiences. No other Australian group would have dared or indeed been able to get their audience to roar. You don't make me feel like a woman anymore, the culminating line of *Human Frailty*'s first track and the first single taken from the album. Say Goodbye, the second track on the album. Throw Your Arms Around Me has become an Australian standard, an anthem sung drunkenly more by women than men in pubs at weddings and similar occasions. *Human Frailty* is an album that transcended the critical categories of its time.

1975 Mark Juddery, 2011-09-13 1975 in Australia was a year marked by political upheaval and cultural revival, a time when it was exciting to be an Australian. In this fascinating book, journalist Mark Juddery examines the year that marked a complete turning point in Australian history, politically, socially, and most of all, on the international stage. Comprising interviews with prominent Australians who remember the year well, as well as issues of the time, 1975 explores the Whitlam Dismissal, the introduction of Medibank, PNG's independence from Australia, the return of native land to Aborigines in the Northern Territory, the first time unemployment soared past 5%, the first Australian political sex scandal to make headlines, Malcolm Fraser's egging in Darwin soon after the Dismissal, Peter Weir's Picnic at Hanging Rock being shown to an international audience, release of Australia's highest-selling album by AC/DC, the launch of Radio 2JJ which became Triple J, and the year Australia admitted that the Vietnam War was a mistake.
