Vanishing Gospel Demise Church:

The Vanishing of the Gospel and the Demise of the Church Bill Bennett, Josh Franklin, 2015-12-14 The gospel is being diluted in many churches if not vanishing entirely In this book Bennett and Franklin reveal how a diluted gospel brings about the demise of the church They go right to the heart of many controversies Easy believism hell the exclusivity of Christ and church discipline are among the many hot button issues included The Vanishing of the Gospel and the Demise of the Church will make you take a stand one way or the other Prepare to be challenged *Gospel Herald*, 1926 Being the People of God Paul Bradbury, Isabelle Hamley, Andy Smith, 2025-07-31 Drawn from a consultation instigated by the Church of England's Faith and Order Commission this book seeks to offer a generative conversation involving theologians and practitioners across three key themes the church's worship as a gathered community its witness as a scattered community and its walk as a pilgrim community So often the church speaks as if there was a binary division between being and doing yet the contributors to this book collectively demonstrate that the situation is more complex *History of the Christian Church, to the death of Constantine, A.D. 337* Frederick John Foakes- Jackson, 1898 40 Questions About Biblical Theology Jason S. DeRouchie, Oren R. Martin, Andrew David Naselli, 2020-11-24 An accessible survey of the meaning methodologies themes and applications of biblical theology To understand what the entire Bible teaches about any given subject we must practice biblical theology By surveying the whole canon of Scripture we can best discern what God has revealed about any particular issue But doing so requires answering a number of important questions What type of biblical theology will we choose What overall story does the Bible tell How should we understand the relationship between the Old and New Testaments How does our topic fit within salvation history How do we apply the truths we discover 40 Questions About Biblical Theology provides resources to answer these key questions in order to guide readers in their own study and practice of biblical theology Other vital topics the authors address include how to understand typology key themes in biblical theology and how Christians should relate to Old Testament promises Ideal for courses on biblical theology for pastors and for anyone who teaches or interprets Scripture 40 Questions on Biblical Theology will deepen your understanding and application of the whole counsel of God *Mision en el camino* Charles E. Van Engen, 2019-02-28 Durante los pasados cincuenta años el nfasis sobre la práctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teología de la misión Sin embargo en las últimas décadas teólogos y misioneros de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teológicas que fundamentan la obra misionera En Misión en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teología de la misión Charles Van Engen en este volumen aborda numerosos temas misionológicos centrales Examina la cuestión de construir teologías en contextos específicos tales como en la ciudad También nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un

delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el carácter de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad están teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovación de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros días Explora los roles cambiantes de misioneros y ministros en iglesias jóvenes y levanta preguntas difíciles relacionadas con la unidad de la iglesia en medio de su proliferación diversidad y fragmentación de carácter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusión reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliográficas que nos presenta para más estudio Igualmente importantes son las repuestas que ofrece a estas cuestiones respuestas que nos ayudan a movernos más allá de los caminos sin salida que tanto caracterizan nuestro pensamiento actual Tomado del Prólogo escrito por Pablo Hiebert
