Simpson,2020-03-03 Are you looking for a better way to deeply learn the fundamentals of JavaScript Look no further The foundation of all programs is the organization of its variables and functions into different nested scopes Yet most developers haven t deeply contemplated how and why these decisions are made and the impacts on code maintainability The worldwide best selling You Don t Know JS book series is back for a 2nd edition You Don t Know JS Yet All 6 books are brand new rewritten to cover all sides of JS for 2020 and beyond Scope Closures examines all aspects of lexical scope then builds on these principles to leverage the power of closure and finally digs into the module pattern for better program structure

Scope and Closures Kyle Simpson,2014 Closures have served as the boundary between developers who know how to use JavaScript to manipulate objects and developers who know how to use JavaScript to create libraries The JavaScript renaissance has thrived in large part because closures give developers the power to manage JavaScript scope issues but figuring out closures has remained difficult This compact guide explores JavaScript scope in greater depth than previous treatments defining the problems that closures solve demonstrating why they work and showing developers how to make

closures a reliable standard part of their development toolkit
