Your Ears Only Unlikely Partners:

Fearless Dialogues Gregory C. Ellison II, 2017-11-10 Drawing on all the community's collective voices from doctors to drug dealers *Fearless Dialogues* is a groundbreaking program that seeks real solutions to problems of chronic unemployment, violence, and hopelessness in cities around the United States and now the world. The program's founder Gregory C. Ellison and his team create conversations among community members who have never spoken to one another, the goal of which are real, implementable, and lasting changes to the life of the community. These community transformations are based on both face-to-face encounters and substantive analysis of the problems the community faces. In *Fearless Dialogues: A New Movement for Justice*, Ellison makes this same kind of analysis available to readers, walking them through the steps that must be taken to find common ground in our divided communities and then to implement genuine and lasting change. *Getting Back Together* Bettie B. Youngs, Masa Goetz, Suzy Farbman, 2006-02-15 You can save your relationship. The divorce courts are littered with broken marriages and broken lives. Yet most people would save their marriages if only they knew how. *Getting Back Together* is the solid, comprehensive guide you can count on to get your relationship back on track. No matter what issues you may face, this step-by-step program shows you how to take the initiative, reconcile your differences, and remake your relationship from the ground up. In this completely revised edition, Drs. Young and Goetz provide the most current studies and relationship evaluation tools available. They also include numerous inspiring real-life stories of couples that have resurrected and renewed their relationships. Packed full of valuable information and comforting advice, *Getting Back Together* helps couples beat the odds and build a new, happier life together forever. *Murder Most Unusual* Michelle Somers, 2017-02-06 SHE WRITES HE WATCHES HE WAITS HE KILLS. Romance novelist Stacey Holland doesn't believe in love; marriage to a manipulator taught her as much. So she hides away in her fictional world, penning the perfect romance, intertwining the perfect crime. Excitement is for her books; worlds where the mortality of her characters is governed by a tap on her keyboard, and the heroine always gets her happy ever after. Homicide detective Chase Durant's cases are real and gritty, and one wrong move could be his last. The Force is his life; he doesn't have room for more. Love and relationships hold no place for a man whose fate is predetermined by the genetic roll of a dice. With uncertainty on the horizon, he won't promise a future he can't guarantee. Then a sadistic killer breathes Stacey's gruesome murders to life, and the pair are thrown together in a sick game of murder and lies. When tempers flare and the murders get personal, can author and detective fight their growing attraction all the while fighting the killer determined to destroy them both? *Murder Most Unusual* is a seductive, romantic suspense set in Melbourne, Australia, written by Michelle Somers, award-winning author of *Lethal in Love*. *A Most Unusual Duke* Susanna Allen, 2021-12-28 Bridgerton meets New Moon in this sparkling, shapeshifter Regency romance mixed with humor, steamy chemistry, and fantasy. The Duke said he'd never get married. The Prince Regent insists his cousin and fellow bear shifter, Arthur Humphries, the Duke of Osborn, take a mate to ensure the continuation of their species.
