Youth Led Community Organizing Theory And Action:

Youth-Led Community Organizing Melvin Delgado, Lee Staples, 2007-09-13 Youth led organizing a burgeoning movement that empowers young people while simultaneously enabling them to make substantive contributions to their communities is increasingly receiving attention from scholars activists and the media Melvin Delgado and Lee Staples recognized leaders in social work macro practice and community organization have produced the first comprehensive study of this dynamic field Their well organized book takes an important step toward bridging the gap between academic knowledge and community practice in this growing area The authors social justice rooted perspective on the fields conceptual and practical foundations is an effective basis for analyzing youth led community organizing but they also offer glimpses of successful groups in action and helpful insight into how fledgling organizations can become stronger These groups and their young participants represent the politics and activism of the future and Delgado and Staples have produced a lucid thoughtful guide to their key aspects and recent developments that students and researchers of community organization not to mention the organizers and their facilitators themselves are sure to find both inspiring and useful

Youth-led Community Organizing Melvin Delgado, 2008 Youth-Led Community Organizing Melvin Delgado, Lee Staples, 2008 Youth led organizing is increasingly receiving attention from scholars activists and the media Delgado and Staples have produced the first comprehensive study of this dynamic field Their well organized book takes an important step toward bridging the gap between academic knowledge and community practice in this growing area **The Handbook of Community Practice** Marie Weil, Michael S. Reisch, Mary L. Ohmer, 2013 Written by some of the most influential scholars in the field this Handbook covers community development organizing planning and social change as well as key issues fields of practice and global approaches **Youth-Led Health Promotion in Urban Communities** Melvin Delgado, Huiquan Zhou, 2008-02-28 The introduction of innovative social paradigms that stress community participation community focused empowerment assets social and economic justice themes and in the case of youth civic participation represents one of the outcomes of this questioning and bodes well for current and future generations The subject of how best to address the current and future health needs of this country s urban marginalized communities is one that has also received considerable attention in academic policy and practice arenas in the past decade A variety of models have been put forth to achieve the goal of health in these communities One of the most promising recommendations has been the use of health promotion as a vehicle for reaching and empowering communities of color in both rural and urban America The youth led environmental justice movement as it will be addressed in various sections of this book is one of the latest and most promising approaches towards health promotion that is grass roots and community participatory based Youth led health promotion represents an emerging field with tremendous implications for addressing the health needs of marginalized urban youth of color in the United States **Community Practice and Urban Youth** Melvin Delgado, 2015-10-30 Community Practice and Urban

Youth is for graduate level students in fields that offer youth studies and community practice courses Practitioners in these fields too will find the book particularly useful in furthering the integration of social justice as a conceptual and philosophical foundation The use of food environmental justice and immigrant rights and the book s focus on service learning and civic engagement involving these three topics offers an innovative approach for courses **Contemporary Youth Activism**

Jerusha Conner,Sonia M. Rosen,2016-09-26 A cutting edge study showcases the emergence of contemporary youth activism in the United States its benefits to young people its role in strengthening society and its powerful social justice implications At a time when youth are too often dismissed as either empowered consumers or disempowered deviants it is vital to understand how these young people are pushing back challenging such constructions and advancing new possibilities for their institutions and themselves This book examines the latest developments in the field of contemporary youth activism CYA and documents the myriad ways in which youth activists are effecting social change even as they experience personal change By taking public political action on a range of intersecting issues youth activists are shifting their own developmental pathways shaping public policy and shaking up traditional paradigms Section one of the book offers a historical perspective on youth activism in the United States followed by a discussion of contemporary examples of CYA for social justice The second and third sections analyze the individual institutional and ideological effects of CYA arguing that youth activism works to promote change at three levels self systems and in the broader society Readers will come away with a clearer understanding of the many ways in which today s youth activists are working to reimagine and remake American democracy reawakening the promise of a multi issue progressive movement for social justice Engaging Youth in Leadership for Social and Political Change

Michael P. Evans,Kathleen Knight Abowitz,2015-12-21 Youth leadership initiatives can help young people engage in democratic life participatory governance and social and political change Leadership education oriented towards political and social change must continue to evolve in response to the lived experience of youth This volume explores those new meanings through examining the theories and practices constituting the emerging ground of public leadership including research spanning secondary and higher education programs local and international contexts school based and out of school time initiatives and a broad diversity of youth The Jossey Bass quarterly report series New Directions for Student Leadership explores leadership concepts and pedagogical topics of interest to high school and college leadership educators Issues are grounded in scholarship and feature practical applications and best practices in youth and adult leadership education *Urban Friendships and Community Youth Practice*

Melvin Delgado,2016-10-11 Urban Youth Friendships and Community Practice breaks new ground in identifying and capturing the importance of friendships and the role that community practitioners and scholars can play to enhance them *Roots to Power* Lee Staples,2016-02-22 The third edition of the manual for community organizers tells readers how to most effectively implement community action for social change clearly laying out grassroots organizing principles methods and best practices Written for those who want to

improve their own lives or the lives of others this thoroughly revised how to manual presents techniques groups can use to organize successfully in pursuit of their dreams The book combines time tested universal principles and methods with cutting edge material addressing new opportunities and challenges It covers basic concepts and best practices and offers step by step guidelines on things an organizer needs to know such as how to identify issues formulate strategies set goals recruit participants and much more The work focuses on six organizing arenas turf geography faith based issue identity shared experience and work related It offers new or expanded material addressing community development use of social media internal organizational dynamics electoral organizing evaluation assessment and prevention of burnout for key leaders There are also nuts and bolts articles by experts who address topics such as action research lobbying legal tactics and grassroots fundraising Numerous case examples charts worksheets and small group exercises enrich the discussion and bring the material to life
