Zambezi River Bridge A Thriller:

Zambezi River Bridge Robert B. Boeder, 2014-01-20 Vietnam veteran and ex CIA Paramilitary Operations Officer Steve Fuller teaches at the University of Zambia After his extensive military service he just wants to live quietly but when the Rhodesian Air Force bombs Zimbabwe People s Liberation Army training camps near Lusaka he finds himself drawn into the African freedom struggle Henry Kissinger is instrumental in organizing negotiations between the liberation groups and Ian Smith s white minority government set to take place in a railroad car on Victoria Falls Bridge Soviet agents seek to disrupt the talks which Steve Fuller pledges to protect ZAMBEZI RIVER BRIDGE mixes fact and fiction while telling a compelling story of the volatile decade of the 1970s in Southern Africa The Freedom Broker: a heart-stopping, action-packed thriller K.J. Howe, 2017-02-07 RAZOR SHARP AND FULL OF YOU ARE THERE AUTHENTICITY A SUPERB THRILLER LEE CHILD AN AMAZING PAGE TURNER JEFF AYERS ASSOCIATED PRESS MOVE OVER JASON BOURNE ACTION HAS A NEW NAME LISA GARDNER The survival window for kidnap victims is small And Thea Paris is running out of time Thea Paris one of only twenty five elite kidnap and ransom specialists in the world and the only one who is a woman is the best in the business And she s facing the most urgent and challenging rescue mission of her life her own father s As a child Thea was forced to watch paralyzed with fear while her younger brother was abducted in the middle of the night by masked intruders This life changing experience drove her to become what she is today a world class freedom broker When Thea s oil magnate father Christos Paris is snatched from his yacht off Santorini on his sixtieth birthday days away from the biggest deal of his career the brutal kidnapers leave the entire crew slaughtered in their wake Can Thea rescue her father and prevent this kidnapping from destroying her family for good **Two Continents and One Island** Abel Ndambasha, 2021-06-03 Two Continents and One Island conveys a physical representation to the metaphorical mental and spiritual journey of growth undertaken by the protagonist through life s unknowns It chronicles the author s life story starting in Zambia Africa where he was born and raised through Cuba where he attended postsecondary education to North America where he ultimately established his professional life It makes for an intriguing life story of perseverance and opportunity interspersed with failures and successes sorrows and laughter ups and downs but above all God s direction at every turn The interweaving of religion and morality recurring as a predominant theme is well presented through the author s unique experiences in three unique environments The story is not merely a series of facts about the protagonist s life but it also fluidly manages to reflect the author s views on religion politics and social themes from both the perspectives of being a devout Christian and a vulnerable young man on a sojourn to distant lands while surrounded by temptations which are usually quite different Yet he manages to reconcile these viewpoints very nicely and shows how a black and white view on morals and the world can become grayer and still retain its righteous character This blend between spirituality carnal desires masquerading as temptations of a young man and his unique perspective on politics in a time of extreme political upheaval makes for the most

fascinating storyline in the book While the author is quick to point out that this is not a story about the rise from poverty to riches he lays out an interesting perspective of how Providence orchestrated his life and miraculously opened doors at every step of the way with the help of what he commonly refers to as human angels In the end he reminds us that all things considered success no matter how it is defined is uniquely about tenacity and will The memoir covers an array of universal experiences such as growth spirituality culture and politics It is a well written and fascinating book as it provides a unique perspective on such difficult times in the author s history and journey Additionally it paints an interesting viewpoint likely to capture the attention and enjoyment of those who may not have shared the journey and origins Whether it is the reader wishing to explore life s paradoxes in the diaspora or the immigrant who may draw upon the common experience or perhaps the curious reader wishing to explore the intricacies of a closed socialist system everyone will find the story relatable and easier to share in the experience of the protagonist
