Reconsidering Olmec Visual Culture Carolyn E. Tate, 2012-08-24 Recently scholars of Olmec visual culture have identified symbols for umbilical cords bundles and cave wombs as well as a significant number of women portrayed on monuments and as figurines In this groundbreaking study Carolyn Tate demonstrates that these subjects were part of a major emphasis on gestational imagery in Formative Period Mesoamerica In *Reconsidering Olmec Visual Culture* she identifies the presence of women human embryos and fetuses in monuments and portable objects dating from 1400 to 400 BC and originating throughout much of Mesoamerica This highly original study sheds new light on the prominent roles that women and gestational beings played in Early Formative societies revealing female shamanic practices the generative concepts that motivated caching and bundling and the expression of feminine knowledge in the 260 day cycle and related divinatory and ritual activities *Reconsidering Olmec Visual Culture* is the first study that situates the unique hollow babies of Formative Mesoamerica within the context of prominent females and the prevalent imagery of gestation and birth It is also the first major art historical study of La Venta and the first to identify Mesoamerica s earliest creation narrative It provides a more nuanced understanding of how later societies including Teotihuacan and West Mexico as well as the Maya either rejected certain Formative Period visual forms rituals social roles and concepts or adopted and transformed them into the enduring themes of Mesoamerican symbol systems

Rituals, Collapse, and Radical Transformation in Archaic States Joanne M.A. Murphy, 2020-09-29 *Rituals Collapse and Radical Transformation in Archaic States* explores the role of ritual in a variety of archaic states and generates discussion on how the decline in a state s ability to continue in its current form affected the practices of ritual and how ritual as a culture forming dynamic affected decline collapse and regeneration of the state Chapters examine ritual in collapsing and regenerating archaic states from diverse locations time periods and societies including Crete Mycenaean and Byzantine Greece Mesopotamia India Africa Mexico and Peru Underscoring similarities in a variety of archaic states in the role of ritual during periods of threat collapse and transformation the volume shows how ritual can be used as a stabilizing or divisive force or a connecting medium between the present to the past in an empowering way It also highlights the diversity of ritual roles and location in similar situations and illustrates how states in close proximity and sharing many cultural similarities can respond differently through ritual to stress and contrast the different response in rural and urban settings Through detailed cultural specific studies the book provides a nuanced understanding of the diverse roles of ritual in the decline collapse and regeneration of societies and will be important for all archaeologists involved in the important notions of state collapse and regeneration

Power and Architecture Joachim Bretschneider, Jan Driessen, Karel van Lerberghe, 2007 The idea that

societies and rulers express their power through monumental architecture is not a new one but this collection of essays the result of a 2002 conference in Leuven takes the argument back to the very beginnings of monumental architecture in the Bronze Age Near East and Aegean to ask if this process can be linked to a particular **Intermediate Elites in Pre-Columbian States and Empires** Christina M. Elson, R. Alan Covey, 2006-02-09 From the Mesoamerican highlands to the Colca Valley in Peru pre Columbian civilizations were bastions of power that have largely been viewed through the lens of rulership or occasionally through bottom up perspectives of resistance Rather than focusing on rulers or peasants this book examines how intermediate elites both men and women helped to develop sustain and resist state policies and institutions Employing new archaeological and ethnohistorical data its contributors trace a 2 000 year trajectory of elite social evolution in the Zapotec Wari Aztec Inka and Maya civilizations This is the first volume to consider how individuals subordinate to imperial rulers helped to shape specific forms of state and imperial organization Taking a broader scope than previous studies it is one of the few works to systematically address these issues in both Mesoamerica and the Central Andes It considers how these individuals influenced the long term development of the largest civilizations of the ancient Americas opening a new window on the role of intermediate elites in the rise and fall of ancient states and empires worldwide The authors demonstrate how such evidence as settlement patterns architecture decorative items and burial patterns reflect the roles of intermediate elites in their respective societies arguing that they were influential actors whose interests were highly significant in shaping the specific forms of state and imperial organization Their emphasis on provincial elites particularly shifts examination of early states away from royal capitals and imperial courts explaining how local elites and royal bureaucrats had significant impact on the development and organization of premodern states Together these papers demonstrate that intricate networks of intermediate elites bound these ancient societies together and that competition between individuals and groups contributed to their decline and eventual collapse By addressing current theoretical concerns with agency resistance to state domination and the co option of local leadership by imperial administrators it offers valuable new insight into the utility of studying intermediate elites **2012** Alexandra Bruce, 2009-09-01 The expanded companion book to the 1 documentary film about 2012 The 2012 meme has evolved beyond any debates about the relevance of the Maya Long Count calendar to the lives of contemporary human beings 2012 is about us on planet Earth at this time December 21 2012 will the world really change forever on this date the end of a 5 125 year calendar last used over a thousand years ago Certainly Hollywood would like you to think so Indeed a not so small industry has arisen around the date hawking everything from t shirts to teleseminars Clearing a path between fantasy and reality Alexandra Bruce surveys the entire 2012 landscape asking questions such as Is the Earth losing its Mojo How did 2012 come to mean The End of Time Did psychedelics facilitate the Maya Cosmovision Should we worry about Earth Crustal Displacement What the hell is Planet X Uniquely amongst a vast array of 2012 literature this book features interviews with the leading experts including Graham
