Trial and Triumph Richard M. Hannula, 1999 for saxophone quartet A slow movement which explores the beautiful sonorities of saxophones played softly *Stories From Church History* Luann Altman, 2021-03-18 In this collection of forty six brief biographies for children the author sketches the stirring trials and triumphs of many famous and some lesser known figures in our family of faith including Augustine Charlemagne Anselm Luther Bunyan and C S Lewis Through them we can begin to enjoy the old paths and find rest for our souls This was a neat storybook for supplemental use with teaching history to 3rd and older Some stories can be somewhat gruesome so not for overly sensitive kids They are true stories that bring to life what people of our past have gone through They helped forge ahead and paved the way for things we take for granted today Short stories easy to follow Historically true embellished so it makes it feel like you are there with the people

Radiant: Fifty Remarkable Women in Church History Richard M. Hannula, 2015-04-28 Radiant records the triumph of the gospel as Christian women faced kings and governors soldiers and wild beasts Japanese guards and Muslim raiders fire exile Nazis cannibals riots and more Look to heaven and forsake the world has been their cry for two thousand years and in Christ these women became invincible From South America to Europe from China to Africa to the Wild West in prisons and in throne rooms the Christian heroines of Radiant have left a stunning legacy These short and moving biographies for young people introduce fifty often unfamiliar champions of the faith women like Ida Kahn who opened the first hospital in a Chinese city of 300 000 people Lady Anne Hamilton who rode with the Covenanter cavalry at the decisive Battle of Berwick and Anngrace Taban who was forced to type secret battle plans for the Sudan People s Liberation Army **Calvinism and the Emergence of the Modern World** M. Brett Callaway, 2024-06-27 The Western world is in a downward spiral Symptoms include worsening economies increasing crime and general crumbling of society s moral and civil framework Hope is decreasing while anxiety is increasing Throughout the ages mankind s lot has ebbed and flowed in concert with its understanding of and obedience to God s will The ascendancy of Western civilization and our modern world coincided with the spread of Calvinism It is the worldview from which today s material and experiential blessings were birthed and gave rise to ideas of democratic representative government and equality of every person before God This book after establishing some distinguishing characteristics of Calvinism traces its advance throughout Europe and subsequently to America through personalities and events giving rise to our modern world and all its prosperity By doing so it provides an encouraging reminder of how God turns the fortunes of faithful men and nations for the better even ours even today *Faith Is Not Blind* Joseph R. Odell, 2018-04-16 How do we love the Lord our God with all our mind Too rarely do we consider how we should honor God in this way Faith Is Not Blind gives a road map so you can answer four key questions What do I believe Why do I believe it Where did those beliefs come from before I heard them Is that good enough By the time you reach the end of the book you should be motivated to grow your faith in understanding and know where to begin that journey and soon after be

prepared to help others do the same *No Vacancy! Spirit-Occupied Life* Haven G. Parrott, 2003-07 **The Knights Templar & the Protestant Reformation** , *Heralds of the Reformation: Thirty Biographies of Sheer Grace* Richard M. Hannula, 2016-07-05 The Reformation was an era with many examples of remarkable faithfulness courage and learning However few Christians today are familiar with their spiritual ancestors the men who are responsible not only for much of our current understanding of the Bible and the Christian gospel but also for the massive explosion of the Gospel all over the world today If we want to continue to bear witness to the truth as faithfully as our fathers in the faith we need to know their stories Hannula s book includes thirty short but profound stories of Reformation era courage They can easily be read aloud to children or used by homeschoolers as part of their curriculum Additionally this book includes an overview of key events in the Reformation a detailed Timeline from 1516 to 1598 seven short summaries of Reformation Basics and comprehension questions and answers on all thirty biographies **For Christ's Crown and Covenant: Sketches of Puritans and Covenanters** Richard Hannula, 2014-10-14 The word that perhaps best characterizes the Puritans and Covenanters is faithfulness Whether Edward Dering preaching boldly before a fuming Queen Elizabeth or Sandy Peden evading the king s men on horse or Hugh Mackail undergoing the torture of the Boot and then execution for his faith the Puritans and Covenanters courage and conviction shines as bright as ever today In this collection of thirty brief biographies with seven illustrations Hannula brings these stories to life both for young people who should grow up knowing their spiritual ancestors and the heroes of our faith and for adults who need to make their acquaintance for the first time Because of the fierceness with which they were persecuted many left Britain for America to worship God freely If we are to truly understand ourselves our theological heritage and our current situation we need to know the stories of these brave and faithful men and women and the legacy they left *Trial And Triumph Church History* Cornelia Weitze, 2021-03-18 In this collection of forty six brief biographies for children the author sketches the stirring trials and triumphs of many famous and some lesser known figures in our family of faith including Augustine Charlemagne Anselm Luther Bunyan and C S Lewis Through them we can begin to enjoy the old paths and find rest for our souls This was a neat storybook for supplemental use with teaching history to 3rd and older Some stories can be somewhat gruesome so not for overly sensitive kids They are true stories that bring to life what people of our past have gone through They helped forge ahead and paved the way for things we take for granted today Short stories easy to follow Historically true embellished so it makes it feel like you are there with the people **Stories from Church History. ...** , 1852 **Against Christianity** Peter J. Leithart, 2003 How could a conservative Christian an ordained minister with a beard no less be against not only Christianity but theology sacraments and ethics as well Yet that is the stance Peter Leithart takes in this provocative theological bricolage Seeking to rethink evangelical notions of culture church and state Leithart offers a series of short essays aphorisms and parables that challenge the current dichotomies that govern both Christian and non Christian thinking about church and state the secular and the religious But his argument isn t
