Use Once Then Destroy:

Use Once, Then Destroy Conrad Williams, 2015-05-19 The first collection of stories from acclaimed horror writer Conrad Williams. In a Venice shackled by winter a serial killer is removing victims' hands. While on holiday in the Fens of East Anglia a woman at the end of her tether finds a terrible release. A man haunted by graffiti finds that the road to discovering the perpetrator leads to death and worse. A husband trying to comfort his terminally ill wife seeks help in a forbidden zone from his childhood where blood is the price of perfection. *Use Once Then Destroy* selects award winning writer Conrad Williams's finest short fiction published between 1993 and 2002 with an additional three stories original to this collection. Within these pages you will also find the International Horror Guild and British Fantasy Society award nominated novella *Nearly People* in which a woman's search for food in a nightmarish city brings her attention from an enigmatic man known as The Dancer and leads her to a host of terrible epiphanies. This spellbinding compilation offers the kind of unsettling horrors that drift into your consciousness and envelop you in an ethereal atmosphere of unease. There are no easy answers to the questions raised in these stories which explore the scarred outposts of desperation and desire, sickness and death, sex and decay. One thing is certain: *Use Once Then Destroy* will stay with you long after you've stopped reading. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction, space opera, time travel, hard SF, alien invasion, near future dystopia, fantasy, grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history, and horror: zombies, vampires, and the occult and supernatural, and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award winner, we are committed to publishing quality books from a diverse group of authors.

Use Once, Then Destroy Conrad Williams, 2004-05 This spellbinding collection of British Fantasy Society Award nominated author Conrad Williams' best stories from the last decade offers the kind of horrors that move subtly like pain or love or regret. They are stories that explore the scarred outposts of desperation and desire, sickness and death, sex and decay.

Psychomania Stephen Jones, 2014-03-04 When journalist Robert Stanhope arrives at the Crowsmoor asylum for the criminally insane to interview the institute's enigmatic director Dr Lionel Parrish, little does he realize that an apparently simple series of tests will lead him into a terrifying world of murder and insanity. In this chilling new anthology compiled by multiple award winning editor Stephen Jones, some of the biggest and brightest names in horror and crime fiction come together to bring you twisted tales of psychos, schizoids, and serial killers with occasional supernatural twists. Reggie Oliver revives Edgar Allan Poe's wily French detective C Auguste Dupin, and there is a new story from the popular British mystery series Bryant May by Christopher Fowler. Internationally best selling author Michael Marshall also contributes to this collection with the return of The Straw Men conspiracy. An original wraparound sequence in the style of John Llewellyn Probert sets the tone for this dark collection of stories, as well as a hitherto unpublished introduction by Robert Bloch, author of *Psycho* and the inspiration for

One Conrad Williams, 2009-04-02 This is the United Kingdom but it's no country you know No place you ever want to see even in the howling shuttered madness of your worst dreams You survived One man You walk because you have to You have no choice At the end of this molten road running along the spine of a burned battered country your little boy is either alive or dead You have to know You have to find an end to it all One hope The sky crawls with venomous cloud and burning red rain The land is a scorched sprawl of rubble and corpses Rats have risen from the depths to gorge on the carrion A glittering dust coats everything and it hides a terrible secret New horrors are taking root You walk on One chance
