Useful Enemies When Waging Wars Is More Important Than Winning Them

Hyeran Jo

Useful Enemies When Waging Wars Is More Important Than Winning Them:

Useful Enemies David Keen, 2012-07-31 Keen investigates why conflicts are so prevalent and so intractable even when one side has much greater military resources He asks who benefits from wars whether economically politically or psychologically and argues that in order to bring them successfully to an end we need to understand the complex vested interests on all sides

Shame David Keen, 2025-12-02 The uses of shame and shamelessness in spheres that range from social media and consumerism to polarized politics and mass violence Today we are caught in a shame spiral a vortex of mutual shaming that pervades everything from politics to social media We are shamed for our looks our culture our ethnicity our sexuality our poverty our wrongdoings our politics But what is the point of all this shaming and countershaming Does it work And if so for whom In *Shame* David Keen explores the function of modern shaming paying particular attention to how shame is instrumentalized and weaponized Keen points out that there is usually someone who offers an escape from shame and that many of those who make this offer have been piling on shame in the first place Self interested manipulations of shame Keen argues are central to understanding phenomena as wide ranging as consumerism violent crime populist politics and even war and genocide Shame is political as well as personal To break out of our current cycle of shame and shaming and to understand the harm that shame can do we must recognize the ways that shame is being made to serve political and economic purposes Keen also traces the rise of leaders on both sides of the Atlantic who possess a dangerous shamelessness and he asks how shame and shamelessness can both be damaging Answering this question means understanding the different types of shame And it means understanding how shame and shamelessness interact not least when shame is instrumentalized by those who are selling shamelessness Keen points to a perverse and inequitable distribution of shame with the victims of poverty and violence frequently being shamed while those who benefit tend to exhibit shamelessness and even pride

Making and Breaking Peace in Sudan and South Sudan Sarah M. H. Nouwen, Laura M. James, Sharath Srinivasan, 2020-12-24 Authored by scholars practitioners and scholar practitioners this volume marshals a kaleidoscope of perspectives on peace and peacemaking

Ethnic Politics and State Power in Africa Philip Roessler, 2016-12-15 Why are some African countries trapped in vicious cycles of ethnic exclusion and civil war while others experience relative peace In this groundbreaking book Philip Roessler addresses this question Roessler models Africa's weak ethnically divided states as confronting rulers with a coup civil war trap sharing power with ethnic rivals is necessary to underwrite societal peace and prevent civil war but increases rivals capabilities to seize sovereign power in a coup d'état How rulers respond to this strategic trade off is shown to be a function of their country's ethnic geography and the distribution of threat capabilities it produces Moving between in depth case studies of Sudan and the Democratic Republic of the Congo based on years of field work and statistical analyses of powersharing coups and civil war across sub Saharan Africa the book serves as an exemplar of the benefits of mixed methods research for theory building and testing in comparative politics

Compliant Rebels

Hyeran Jo, 2015-08-21 Seventeen million people have died in civil wars and rebel violence has disrupted the lives of millions more. In a fascinating contribution to the active literature on civil wars, this book finds that some contemporary rebel groups actually comply with international law amid the brutality of civil conflicts around the world. Rather than celebrating the existence of compliant rebels, the author traces the cause of this phenomenon and argues that compliant rebels emerge when rebel groups seek legitimacy in the eyes of domestic and international audiences that care about humanitarian consequences and human rights. By examining rebel groups' different behaviors such as civilian killing, child soldiering, and allowing access to detention centers, *Compliant Rebels* offers key messages and policy lessons about engaging rebel groups with an eye toward reducing civilian suffering in war zones. **International Political Sociology** Tugba Basaran, Didier

Bigo, Emmanuel-Pierre Guittet, R. B. J. Walker, 2016-07-22 This book presents an overview and evaluation of contemporary research in international political sociology (IPS). Bringing together leading scholars from many disciplines and diverse geographical backgrounds, it provides unprecedented coverage of the key concepts and research through which IPS has opened up new ways of thinking about international relations. It also considers some of the consequences of such innovations for established forms of social and political analysis. It thus takes the reader on an intellectual journey engaging with questions about boundaries and limits among the many interrelated worlds in which we now live, the ways we conceptualise them, and how we continually reshape boundaries of identities, spaces, authorities, and disciplinary knowledge. The volume is organized into three sections: Lines, Intersections, and Directions. The first section examines some influences that led to the formation of the project of IPS and how it has opened up avenues of research beyond the limits of an international relations discipline shaped within political science. The second section explores some key concepts as well as a series of heated discussions about power and authority, practices and governmentality, performativity, and reflexivity. The third section explores some of the transversal topics of research that have been pursued within IPS, including inequality, migration, citizenship, the effect of technology on practices of security, the role of experts and expertise, data-driven surveillance, and the relation between mobility, power, and inequality. This book will be an essential source of reference for students and across the social sciences. **No Surrender** Keith D. Dickson, 2017-05-18 A modern and current examination of Reconstruction that

explains how the South, in the aftermath of defeat in a total war, was still able to exhaust the will of the powerful North using asymmetric warfare. The end of the Civil War may have marked the end of the official fighting, but the Congressional strategy to remake the South during Reconstruction led to a new period of warfare, asymmetric warfare, in which the defeated Confederacy became the Southern resistance. Despite all the power at its disposal, the North failed to change the South after nearly 11 years of effort and instead accepted a political-social equilibrium dictated by the South. This book presents Reconstruction through an unconventional lens to explain the process of transition from war to warfare and finally to equilibrium, represented by the emergence of the New South. Author Keith D. Dickson explains how Reconstruction created a

false equilibrium in the immediate aftermath of the Civil War and was reversed by Congressional action that imposed a new social and political order. By resistance of these actions through asymmetric warfare the white South was able to establish a new equilibrium one dictated by the South that opened the path to the New South. Providing insights from an author who is both a respected academic military historian as well as a former practitioner of unconventional warfare as a Special Forces officer the book covers the historical period 1865-1877 casting the Reconstruction period as an example of protracted asymmetric warfare. This asymmetric warfare was conducted in phases against the Republican state governments. As both the U.S. Congress and the Grant administration abandoned the lofty goals for Reconstruction a bitterly contested presidential election provided the opportunity to establish conditions favorable to the white South that would in turn lead to a political social equilibrium that allowed reconciliation to begin.

Corporate Social Responsibility? Charlotte Walker-Said, John D. Kelly, 2015-09-02 This volume presents corporate social responsibility (CSR) as a series of economic and political strategies that are currently shifting the focus of international human rights activism and signalling the rise of new forms of global governance. In as much as the work demonstrates the limitations of CSR and offers a critical perspective on corporate techniques of market domination it also posits a future for CSR within the human rights movement.

Privatising Justice Wendy Fitzgibbon, John Lea, 2020-04-20 Privatising Justice takes a broad historical view of the role of the private sector in the British state from private policing and mercenaries in the eighteenth century to the modern rise of the private security industry in armed conflict policing and the penal system. The development of the welfare state is seen as central to the decline of what the authors call old privatisation. Its succession by neoliberalism has created the ground for the resurgence of the private sector. The growth of private military policing and penal systems is located within the broader global changes brought about by neoliberalism and the dystopian future that it portends. The book is a powerful petition for the reversal of the increasing privatisation of the state and the neoliberalism that underlies it.

Routledge Handbook of African Politics Nic Cheeseman, 2017-07-05 Providing a comprehensive and cutting edge examination of this important continent Routledge Handbook of African Politics surveys the key debates and controversies dealing with each of the major issues to be found in Africa's politics today. Structured into 6 broad areas the handbook features over 30 contributions focused around The State Identity Conflict Democracy and Electoral Politics Political Economy Development International Relations. Each chapter deals with a specific topic providing an overview of the main arguments and theories and explaining the empirical evidence that they are based on drawing on high profile cases such as the Democratic Republic of Congo Kenya Nigeria Somalia South Africa Rwanda and Zimbabwe. The Handbook also contains new contributions on a wide range of topical issues including terrorism the growing influence of China civil war and transitional justice making it required reading for non specialists and experts alike. Featuring both established scholars and emerging researchers this is a vital resource for all students of African Studies democratization conflict resolution and Third World politics.

Useful Enemies When Waging Wars Is More Important Than Winning Them Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Useful Enemies When Waging Wars Is More Important Than Winning Them free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Useful Enemies When Waging Wars Is More Important Than Winning Them free PDF files of magazines, brochures, and catalogs, Issuu is a popular

Useful Enemies When Waging Wars Is More Important Than Winning Them

choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Useful Enemies When Waging Wars Is More Important Than Winning Them free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Useful Enemies When Waging Wars Is More Important Than Winning Them. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Useful Enemies When Waging Wars Is More Important Than Winning Them any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Useful Enemies When Waging Wars Is More Important Than Winning Them Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Useful Enemies When Waging Wars Is More Important Than Winning Them is one of the best book in our library for free trial. We provide copy of Useful Enemies When Waging Wars Is More Important Than Winning Them in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Useful Enemies When Waging Wars Is More Important Than Winning Them.
