Walking with Angels Jeff Bentley, 2023-07-07 A longtime friend who raised four daughters had just welcomed their first grandson into the family She made a special request of the author to write down any thoughts or advice she could give to her grandson as he grew up After a month and a half of prayer the Lord began to reveal what was to be shared with the young child The following seventeen faith experiences over a period of sixty years were never intended to be a book The Holy Spirit moving others to inquire caused the author to consider publishing those experiences A lifelong journey of personal encounters with the Holy Spirit that range from seemingly ordinary to the extraordinary Direct encounters with God s angels that saved the life of the author on four occasions Later four individual occurrences where the angels made their presence known upon request providing real evidence to the author Plenty of proof that God exists on a personal level Additional proof at other times such as the following Comfort during times of grief Peace and provision knowing that God was in control Provision when most needed Protection such as a saved life multiple times Gratitude for being watched over Guidance when most needed Vision on His plans Blessings when least expected Affirmation to keep going Healing when the body needed it Rescued during dark times God s testimony of provision Confirmation of His presence Revelation in order to carry out His plans Walking with Angels is a testimony of a regular guy s life as he details how the Lord guided protected and directed his path It s a culmination of events that leaves the reader encouraged inspired and uplifted Every reader will walk away from these faith experiences knowing there s hope in all of life
