The Alchemy of Inner Work Lorie Eve Dechar, 2025-09-12 My sincere hope is that everyone will read this treasure trove of essential inner knowledge This book is a magnificent accomplishment Caroline Myss author of Anatomy of the Spirit Alchemy is the science of transformation how to change one thing into something else In The Alchemy of Inner Work Dechar and Fox examine how illness suffering and dis ease the lead of our lives can become the gold of our authentic selves and the key to good health and well being Drawing on traditional Chinese medicine Eastern and Western alchemical traditions Kabbalah and Jungian psychology plus case studies from working with patients the authors provide hands on insights for bringing the soul of medicine back into our lives The book includes A simple introduction to the ancient practices and principles alchemy How the alchemical model offers a profoundly new path to true health and well being An array of practices for removing the barriers that block our own healing energy An invitation to alchemical dream work as a support on the path of healing

The Boy Who Died and Came Back Robert Moss, 2014-02-20 Travels in Many Worlds with a Master Storyteller Join Robert Moss for an unforgettable journey that will expand your sense of reality and confirm that there is life beyond death and in other dimensions of the multiverse Moss describes how he lived a whole life in another world when he died at age nine in a Melbourne hospital and how he died and came back again in another sense in a crisis of spiritual emergence during midlife As he shares his adventures in walking between the worlds we begin to understand that all times past future and parallel may be accessible now Moss presents nine keys for living consciously at the center of the multidimensional universe embracing synchronicity entertaining our creative spirits and communicating with a higher Self

The Descent from the Mountain Martin Ravndal Hauge, 2001-04-01 This close reading of Exodus 19 40 focuses on the repetition of the encounter on the mountain This double encounter is expressed in a narrative structure of preparatory episodes climaxed by the theophany The tension of the narrative is linked to the people as the unlikely heroes of encounter and solved by the divine descent from the divine mountain to the man made tent The new situation of permanent encounter is foregrounded by the juxtaposed stories of pre and post Sinai journey and the theme of the substitution of Moses underlines a radical reinterpretation of traditional concepts inviting the reader to embark on a process of identification

Sidewalk Oracles Robert Moss, 2015-09-15 Synchronicity is when the universe gets personal Through this book of games and enchanting stories you ll learn how to monitor the play of coincidence and the symbolic resonance of incidents in daily life in order to tap into the deeper logic of events receive extraordinary counsel and have wonderful fun You will be invited to become a kairomancer someone who is poised to catch the messages in special moments when synchronicity is in play and to take action to seize the opportunities those moments present To be a kairomancer you need to trust your feelings as you walk the roads of this world to develop your personal science of shivers and to recognize in your gut and your skin that you know far more than you hold on the surface of consciousness This is a way of real magic which is the art of bringing gifts from a

deeper world into this one Follow it and you will put a champagne fizz of enchantment into your everyday life The Matrix and Meaning of Character Nancy J. Dougherty, Jacqueline J. West, 2013-12-02 Character structures underlie everyone's personality When rigidly defended they limit us yet as they become more flexible they can reveal sources of animation renewal and authenticity The Matrix and Meaning of Character guides the reader into an awareness of the archetypal depths that underlie character structures presenting an original developmental model in which current analytic theories are synthesised The authors examine nine character structures animating them with fairy tales mythic images and case material creating a bridge between the traditional language of psychopathology and the universal realm of image and symbol This book will appeal to all analytical psychologists psychoanalysts and psychotherapists who want to strengthen their clinical expertise It will help clinicians to extend their clinical insights beyond a strictly behavioural medical or cognitive approach revealing the potential of the human spirit

Defending Middle-Earth Patrick Curry, 2004-10-21 A scholar explores the ideas within The Lord of the Rings and the world created by J R R Tolkien A most valuable and timely book Ursula K Le Guin Los Angeles Times bestselling author of Changing Planes What are millions of readers all over the world getting out of reading the Lord of the Rings trilogy Defending Middle earth argues in part that the appeal for fans goes far deeper than just quests and magic rings and hobbits In fact through this epic Tolkien found a way to provide something close to spirit in a secular age This thoughtful book focuses on three main aspects of Tolkien's fiction the social and political structure of Middle earth and how the varying cultures within it find common cause in the face of a shared threat the nature and ecology of Middle earth and how what we think of as the natural world joins the battle against mindless mechanized destruction and the spirituality and ethics of Middle earth for which the author provides a particularly insightful and resonant examination Includes a new afterword
