side to side Then it made a dash for the nearest door which unfortunately for it was the storeroom Well that'll make it easier to trap and catch Bill said his tone as cheerful and sure as always It was always a beautiful day in the neighborhood for Bill a man who'd taken the Tibbett High football team to five consecutive championships and the baseball team to four fifth one coming right up almost solely Quinn believed by never considering the possibility of defeat Know where you want to be and go there he'd tell the boys and they would Quinn decided she wanted to be someplace else with a pizza but she had to comfort this dog and get rid of Bill before she could go there She crawled on her hands and knees to the door trying to look nonthreatening Now look dogs like me she said in her best come to mama voice as the dog cowered against a carton of oatmeal at the back of the narrow storeroom You're missing a good deal here Really I'm famous for this Come on She moved a little closer still on her hands and knees and the dog peeled its eyes back I suppose you had to do this Bill said to Thea goodnaturedly and Quinn felt equally annoyed with him and guilty about misleading him No more dogs he'd said the last time she'd rescued a stray You don't have to save them all And she'd nodded at him to acknowledge that she'd heard him and he'd taken it as agreement and she'd let him take it that way because it was easier no point in creating a problem she'd just have to turn around and fix And now here she was cheating on him with a mixed breed She looked into the dog's eyes again It's going to be all right Ignore what the big blond guy says The dog relaxed away from the box a little and looked at her with caution instead of terror in its worried little eyes Progress If she had another ten hours and a ham sandwich it might even come to her on its own You're not bringing it home with you right Bill loomed behind her cutting off the afternoon light that came dimly through the wall of windows and casting a shadow over her so that the dog shrank back again anxious at the darkness It wasn't Bill's fault that he was huge but he could at least notice that he cast considerable shade wherever he went Because we're not allowed to have dogs in our apartment Bill's voice was patient as he went on a teacher's voice telling her what she already knew guiding her to form the correct conclusion My conclusion is that you're patronizing me Somebody has to rescue strays and find them homes Quinn said without looking behind her Exactly Bil
